Price: **9.99 zł** gross / 8.12 zł net

Manufacturer: EXTRALINK

Referention number: DNXFMIIQGRMMKI

Product features

Cable shielding	SF/UTP (S-FTP)
Cable length	3 m
Colour	Blue
Sheath material	Low smoke zero halogen (LSZH) + Polyethylene (PE)
Product colour	Blue
Networking cable category	6a
Connector 2 gender	Male
Connector 1 gender	Male
Cable standard	Cat6a
Connector 2	RJ-45
Connector 1	RJ-45

Full product description

Extralink Patchcord LAN network cable - 3 meters long

This **network cable** from Extralink is a 3-meter long LAN patchcord copper cable. A **LAN Patchcord** is a basic element of **computer networks** operating in the Ethernet standard. It is used to directly connect two active devices, such as routers and switches, so that data can be transferred between them. It is also used to connect computers or VoIP phones for structured cabling and to perform patch panel switching in IT cabinets. It is perfect for both large and small computer networks. This shielded patchcord from **Extralink** is highly flexible, which translates into installation convenience and user comfort.

Durable LAN Patchcord 26 AWG

This shielded category 6A SFTP patchcord from **Extralink** is finished with shielded, gold plated RJ45 plugs. It is built of a four-wire, twisted pair cable, made of pure copper, thanks to which it is possible to power network devices in PoE standard.

Compatible with any device with an RJ45 plug
