**Full product description**

**Folding Toilet Seat Cover with Ladder and Handles - Non-Slip Children's Toilet Cover.**

Created with the comfort of children and their parents in mind, our folding toilet seat pad with ladder is an innovative solution that provides safety and convenience for toddlers learning independence. The product fits 99% of available toilet seats, and its foldable design makes it extremely practical and space-saving in the bathroom.

## Safe and comfortable use

With non-slip feet and special anti-slip features, the topper provides stability and safety for your child. In addition, fully BPA-free, guarantees safe use.

### ANTYPOŚLIZGOWA I STABILNA

#### Paski antypoślizgowe

3-częściowy pasek antypoślizgowy do toalety + 4-częściowy pasek antypoślizgowy na podłogę

#### Pedał antypoślizgowy

Szerszy pedał antypoślizgowy, bezpieczny i stabilny

#### Regulacja wysokości

Regulacja wysokości piątego biegu w celu spełnienia różnych potrzeb

## Ergonomic backrest

The high backrest of the overlay is designed for children to lean comfortably against the back and feel like they are in a comfortable chair.

### Comfortable handles

Perfectly fitted to the child's hands, the handles help the toddler get on the toilet easily, as well as stand up safely, ensuring full stability.

## ŁATWA INSTALACJA I PRZECHOWYWANIE

### Protective collar

A special collar prevents splashing, which helps keep the bathroom clean, even when the child is just learning to use the toilet.

### Non-slip ladder

Steps with a non-slip step and clear drawing minimize the risk of slipping when climbing on the toilet. In addition, the pad is adjustable in height, so you can easily adjust it to your child's needs.

## Two options for use

The overlay can be used alone or in combination with a ladder. For younger children, the ladder makes it easier for them to get on the toilet, and after a while the overlay can be used on its own, such as when traveling. As a result, the product grows with the child.

## Convenient and practical solution

The overlay is foldable for easy storage and portability. It takes up little space, and the waterproof, soft seat provides comfort and convenience. The seat is fastened with Velcro, ensuring that it will always be in place.
