Aromatherapy and regeneration in your bathroom

Our mat is not just a massager, it is a complete SPA experience. The device has been designed to work in harmony with your favourite bath accessories. You can freely add **essential oils, rose petals or bath bombs**. The electric bubble mat gently massages the body, which, combined with warm water, effectively relaxes tense muscles and significantly improves blood circulation, leaving you in a state of deep relaxation.

Safety and stability

Your safety is our priority. The mat features an **anti-slip texture** on the top surface, making it easier to get in and out of the bathtub safely. The underside is equipped with 13 strong, flat silicone suction cups, which ensure perfect stability and prevent the device from moving. This means you can fully focus on relaxing, knowing that the mat is securely fixed.

100% Antypoślizgowa BEZPIECZNA

- ✓ Przyjemnie miękka w dotyku, z mocnymi i płaskimi silikonowymi przyssawkami oraz antypoślizgową strukturą na górze.
- ✓ Idealna stabilność i komfort podczas korzystania z maty w wannie.

Powerful performance and ionisation function

The exceptional experience is delivered by as many as **114 air jets**, which generate thousands of massaging bubbles. The system is equipped with a **negative ion function**, which additionally refreshes the water and supports relaxation processes. The device has high power (up to 600 W at 220 V), which translates into highly effective massage performance. Importantly, the mat is extremely quiet, allowing you to enjoy blissful peace during your home therapy session.
