Full product description

Discover new possibilities with Extralink EVOSOUND Bluetooth 5.3 wireless headphones!

Experience superior sound with **the** Extralink EVOSOUND **wireless headphones**. Featuring the latest **Bluetooth 5.3 technology** and **13mm composite speakers** with a copper ring, they deliver clarity, depth and a stable connection without wires. Perfect for any occasion - from relaxing at home to an intense outdoor workout.

Wireless sound, anywhere you want

Experience the fullness
of music without borders!

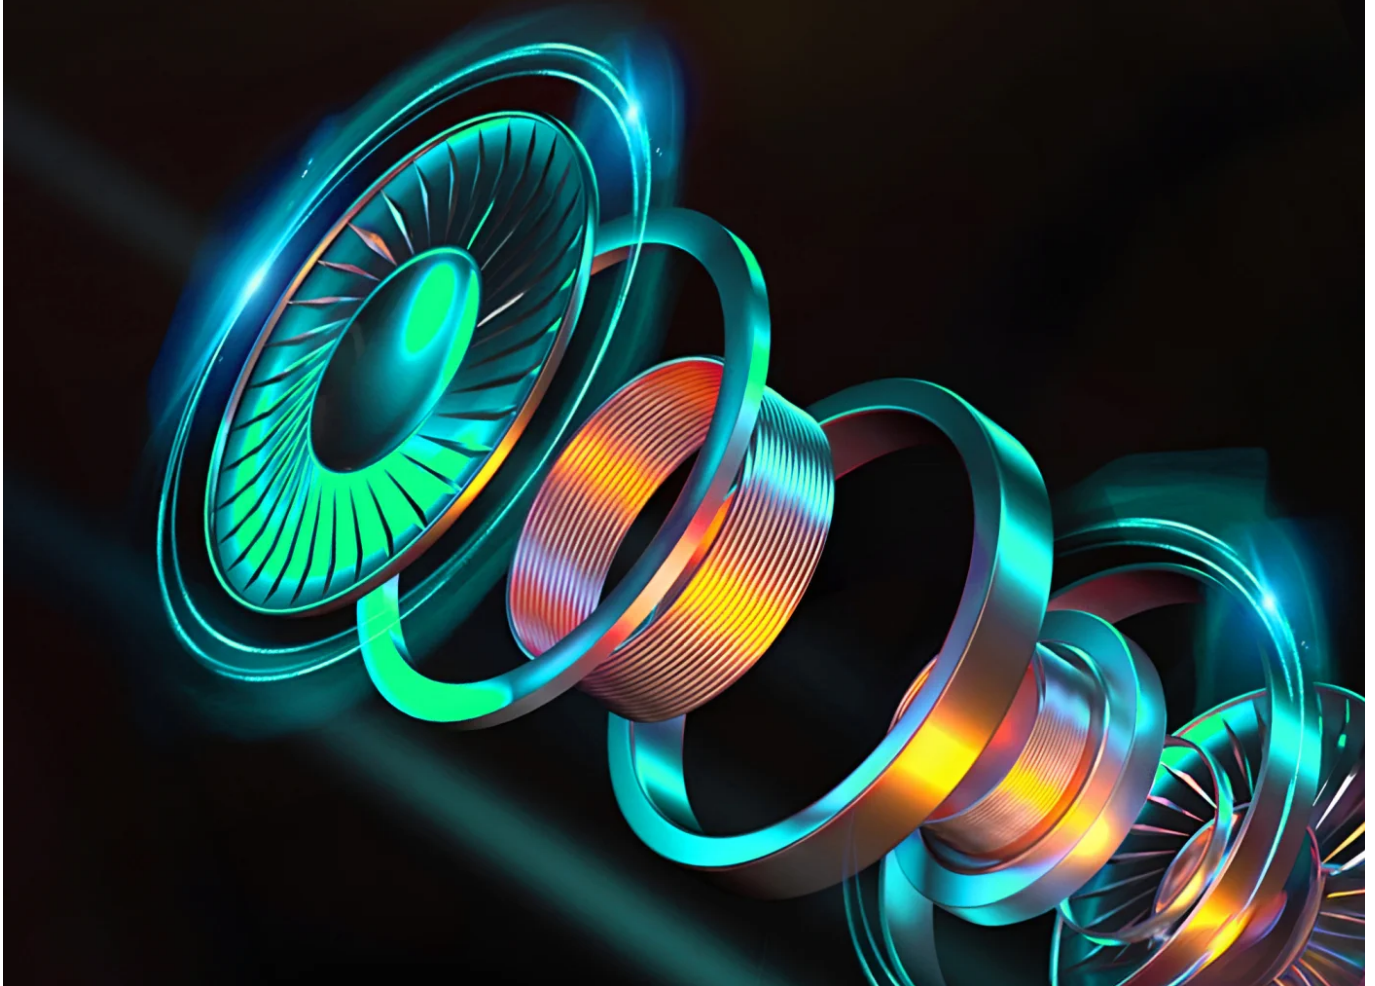

Sound full of depth

Thanks to **an innovative 13mm composite speaker with a copper ring**, the Extralink EVOSOUND headphones deliver **sound of unparalleled quality**. Experience every detail of your favorite music like never before.

13mm composite speakers with copper ring

Immerse yourself in sound: advanced composite speakers for clarity and depth, with an additional copper ring for superior bass reproduction.

Long-lasting comfort without the need for frequent charging

The capacious charging case **equipped with a 230 mAh battery allows you to charge the headphones up to 4 times**, for a total of up to **20 hours of** non-stop music listening. Here's a solution for those who appreciate mobility and independence from an outlet.

LED display on the case

LED display clearly shows the battery level of the bluetooth headphones

Battery life of 20h

Fully charged case allows you to charge the headphones 4 times

Headphones operating time 4h

IPX4 resistance

IPX4 level water resistance makes the headphones ideal for sports training and outdoor use in various weather conditions.

IPX4 water resistance
Ideal for all weathers

Bluetooth 5.3 and IPX4 - ready for any challenge

With an operating range of up to **10 meters** and **resistance to sweat and rain thanks to IPX4 certification**, the Extralink EVOSOUND headphones are an ideal choice for both indoor and outdoor use.

ADVANCED BLUETOOTH 5.3 TECHNOLOGY

This device features a stable Bluetooth 5.3 low-latency chipset, with a high-sensitivity antenna for optimized Bluetooth transmission. So you can enjoy continuous and stable connections even in areas with complex signals.

Bluetooth 5.3

Wireless charging support and Lightning port

Easily charge your headphones with **wireless charging** and a **Lightning port** for fast and convenient charging.
