Full product description

Angel's Secret Set

The 3-in-1 set consists of three round cosmetic cases in different sizes. Pink straps, a floral motif and the "Angel's Secret" inscription create a cohesive style that looks great on a dressing table.

Mirror at hand

The largest case is fitted with a built-in mirror, making it easier to apply and touch up make-up. The spacious interior allows you to store skincare products, perfumes, brushes and other everyday accessories.

Ready for travel

The lightweight and compact design makes it easy to pack the cases into a suitcase. Each item has a separate handle and zip fastening, so you can take the whole set or selected cosmetic bags suited to the length of your trip.

Space for every little item

The three sizes help divide the contents by use. The large case will hold skincare products and larger accessories, the medium one make-up products, and the small one jewellery and handy bits and pieces.

Together or separately

The cases can be used as a complete set or as independent organisers. This allows you to adapt the storage method to the number of cosmetics, the type of accessories and the space available at home or in your luggage.

Order in the wardrobe

The cases can be stacked on top of one another, reducing the amount of space taken up on a shelf or countertop. Zip fastenings help keep the contents inside, and chrome handles make it easy to reach for the organiser you need.
