Information:

The black EXTRALINK 12U 530 × 400 rack cabinet is a solid 19-inch cabinet for wall mounting or standing installation, ideal for offices, server rooms and CCTV installations. Made of cold-rolled steel, it provides a durable and reliable construction with self-assembly for easier transport. It features tempered glass doors that can be opened from the left or right, with a lock and keys included, removable side panels and a marked 12U height. It offers cable entry points at the top and bottom, space for a fan for better cooling, and a shelf included.

Full product description

EXTRALINK brand rack cabinet in black - 12U, 530 × 450

Extralink's rack cabinet is designed for wall mounting in offices, network server rooms and CCTV control rooms. The outer walls are made of cold-rolled steel sheet. Equipped with a pane of tempered glass, the front door can open to the left or right side. A shelf is included.

HOME NETWORK UNDER CONTROL

order begins with organisation

Clearly marked cabinet height

The vertical rails have the appropriate height marking, which is **12U (from unit)**, while the total height of the cabinet is **63.4 cm**.

Removable side walls and glass doors

The latches on the side walls allow their removal. **Locks and Keys for glass doors are included.**

Professional locking rack cabinet

Protection, order and aesthetics in one. Perfect for organising home spaces, offices and server rooms.

Personalization

A place is prepared on the ceiling of the cabinet **to install a fan for** better cooling of the equipment, and **an additional grommet** for cable pulling is placed there. A convenient shelf is also included.

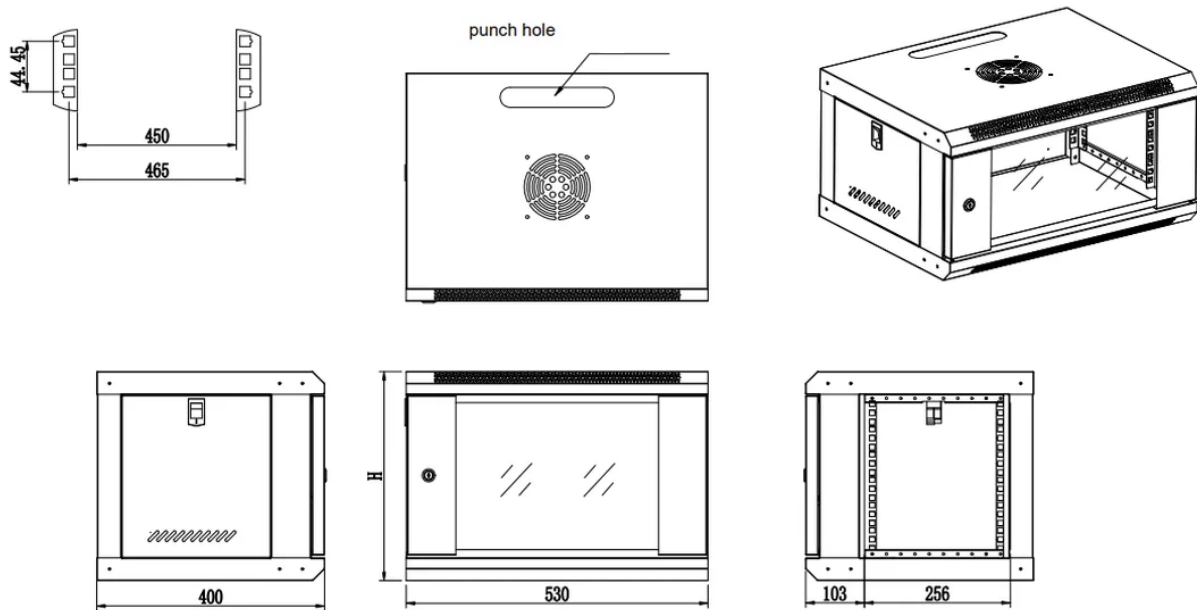

EASY ASSEMBLY IN JUST A FEW MINUTES

Thanks to clear instructions and a complete set of screws, assembling the cabinet is quick and intuitive. You can easily do it yourself – no need to call a technician!

**SHELF
INCLUDED**
