Information:

Extralink Military Tactical Backpack 45L is a spacious and durable backpack for everyday use, work, school and outdoor activities. It offers 45 litres of capacity, two main compartments with two-way zips, and numerous internal and external pockets that make it easy to organise your gear. Ventilated back and shoulder straps, a hip belt and compression straps ensure comfort and stability even under heavy loads. Made from durable 800D polyester, with a waterproof inner coating, it effectively protects the contents from rain and moisture. Sturdy fastex buckles and D-rings increase functionality and durability.

Full product description

Extralink Military 45L Tactical Backpack - your reliable companion for any expedition

The Extralink Military tactical backpack with a capacity of 45 liters is an excellent choice for those who need a durable and roomy solution for everyday tasks. Whether you're heading to work, class or planning outdoor activities, this backpack will meet your needs. Its sturdy construction and thoughtful design make it not only functional, but also aesthetically pleasing and comfortable.

Large capacity and excellent organization

The backpack offers **a space of 45 liters**, which means you can easily fit everything you need. Two main compartments, closed with two-way zippers, provide quick access to the contents, and allow you to organize your belongings efficiently. Additional interior and exterior pockets are ideal for storing smaller items, ensuring you always have everything at hand.

Comfortable to wear all day

The **ventilated back and harness** system ensures comfort even when the backpack is fully loaded. Special ventilation panels promote airflow, which prevents the back from overheating during long carrying. In addition, **the hip belt and compression straps** allow the backpack to fit perfectly to your body, ensuring stability and comfort even during intense movement.

Durability and weather protection

Made of durable 800D polyester, the backpack guarantees exceptional durability for everyday use and intense field conditions. **A waterproof interior coating** protects your belongings from moisture and rain, making the backpack indispensable during adverse weather conditions. Sturdy fastex buckles and D-rings further enhance the functionality and durability of the product.
