Price: **23.99 zł** gross / 19.50 zł net

Manufacturer: EXTRALINK

Referention number: DNXGFNJRERMMJO

Product features

Input voltage	230 V
Output voltage	24 V
LED indicators	Yes
Power supply type	Indoor
Built-in blower fan	No
Cooling type	Passive
Input frequency	50 Hz
Ethernet interface type	Fast Ethernet
Easy to install	Yes
Power adapter included	Yes
Output current	0.5 A
RJ-45 ports quantity	2
Ethernet LAN	Yes
Power over Ethernet (PoE) voltage	24 V
Output power	12 W
Product colour	Black
Power current type	AC-to-DC
Built-in display	No
Designation	PoE adapter

Full product description

Extralink 24 V PoE power supply

The power supply delivers electricity through selected strands of twisted-pair cable to network devices such as APs, cameras, etc. This solution allows network data to be transmitted while providing power.

The plug-in power supply is equipped with two RJ45 ports, one is used to connect the device to be powered, and the other socket is used to connect a patchcord to a switch or router.
