Price: **2,399.00 zł** gross / 1,950.41 zł net

Manufacturer: EXTRALINK

Referention number: DNXGGJNOKRMMNN

Product features

Charging source	DC
Height	230 mm
Width	340 mm
Depth	178 mm
Fast charging	Yes
Battery capacity	680 Wh
Battery capacity	30630 mAh
USB Type-C output power	100
USB Type-C ports quantity	1
Total output power	600 W
Bluetooth	Yes
Display type	LED
Apps supported	Yes
USB Type-A output power	18
Number of DC output quantity	1
Battery technology	Lithium-Ion (Li-Ion)
Product colour	Black
AC output power	600 W
USB Type-A output ports	2

Number of simultaneously connected devices (max)	6
Built-in display	Yes
Watch case material	Acrylonitrile butadiene styrene (ABS)
Product weight	7200 g

Full product description

Constant power supply whenever you need it

The **Extralink EPS-S600S Power Station** is an innovative clean energy solution that combines power and portability. It is ideal for everyday power needs at home, off the grid or simply on the go. With a heavy-duty handle, the station can be taken anywhere mobile power is needed.

EXTRALINK EPS-S600S 680 WH POWER STATION

680Wh Portable Power Station

Extralink EPS-S600S power station is a reliable power source for use in various fields and applications: Household, work, hobby, camping, etc. Wherever you are, charge your smartphone, computer, camera, drone, as well as many other electronic devices at any time. Use other devices such as TV, fan, sound player, hair dryer, lights, etc. regardless of a permanent power connection.

Features of Extralink EPS-S600S power station

- Two 230V AC outlets
- Large capacity of 680 Wh

- Two USB ports
- One USB Type C Power Delivery 100W port
- DC output 12V 10A
- Digital display
- Convenient carrying handle
- Compatible with solar panel (sold separately)

If you run out of power, you can power your most important devices from the Extralink power station. If the battery starts to run out, charge it again in a short period of time using your home AC outlet.

Huge capacity and impressive durability

With high power and **680Wh** capacity, the **Extralink EPS-S600S** has 2 AC outlets, one DC outlet, 2 USB ports and 1 USB Type C PD 100W port. It will power your hiking fridge, TV, mini refrigerator, electric grill, fan and many other outdoor and home needs.

Expanding with infinite solar power

As an upgrade option, the Power Station can be equipped with **solar panels** to provide an endless supply of solar energy. **MPPT technology** provides higher charging efficiency.

Noiseless, powerful and safe

With such a large capacity, **the Extralink EPS-S600S Power Station** does not generate noise while providing **peace of mind and power**. Its exterior and interior construction is well designed to ensure product safety, and your devices are protected while charging.
