Full product description

Emerio TFN-212915 column fan - The perfect solution for hot days

The **Emerio TFN-212915** column fan is the perfect solution for hot summer days. It allows you to enjoy a cool breeze at home. Thanks to its slim design, it fits perfectly even in small rooms without taking up much space. **Its height of 80 cm** makes it a **practical and unobtrusive piece of interior equipment**.

Three speed levels for your comfort

The **Emerio TFN-212915 column fan** has **three speed levels**, allowing you to adjust **the cooling power to your preference**. Whether you need a gentle breeze or a stronger blow, this fan will meet your needs. **The ability to adjust the speed is an important feature for comfort in a variety of conditions.**

Horizontal rotation function for even cooling

In addition, the **horizontal rotation function** ensures that the cool airflow will reach every nook and cranny of the room, providing even refreshment. This is not only practical, but also an effective solution for comfort during the summer heat. With this function, the **Emerio TFN-212915** fan distributes air **evenly, eliminating hot zones and ensuring a uniform temperature throughout the room.**

Aesthetics and functionality in one

The **Emerio TFN-212915** column fan is not only functional, but also **stylish in design**. Its elegant form and modern design make it **a perfect addition to any interior**. Regardless of the style of your home, **this fan will blend in perfectly, adding a modern touch.**

Energy saving and quiet operation

The Emerio TFN-212915 fan is also energy efficient and quiet, making **it an ideal choice for home use**. Thanks to its low energy consumption, you can enjoy cool air without worrying about high electricity bills. **In addition, its quiet operation provides a comfortable environment for rest and relaxation without annoying noise.**
