Full product description

EXTRALINK Clothes Steamer - Convenient Ironing with Adjustable Steam.

EXTRALINK's **1500W** clothes steamer is a modern device that provides fast and efficient ironing with **3-stage steam control**. This allows you to adjust the intensity of the steam to different materials, ensuring the best ironing results without the risk of damaging them.

Efficiency and Fast Heating

The steamer produces **28 g/min of steam** to effectively eliminate creases. The device heats up in **15 seconds**, making it ready to use almost immediately. In addition, a readiness indicator appears on the LED display, telling you when the device has reached the right temperature.

Three Levels of Steam Control

The EXTRALINK steamer offers **3 levels of steam control**, allowing you to choose the right intensity depending on the type of fabric. **Level 1:** Gentle mode, ideal for sensitive fabrics such as knits or silk. **Level 2:** Medium intensity, suitable for most fabrics, such as cotton or polyester. **Level 3:** The strongest mode, designed for thick fabrics, such as jeans or coats.

Clothes Refresher Brush

It comes with a **clip - brush**, which allows you to effectively freshen clothes, disinfect and remove unpleasant odors from clothes, upholstered furniture, toys, as well as winter jackets or coats. This makes the EXTRALINK steamer a multifunctional device.

Large Tank and Simple Water Replenishment Process

The EXTRALINK steamer is equipped with a **capacious 280 ml tank**, which allows for long-lasting ironing without the need to refill water frequently. The device automatically informs you of **low water levels** thanks to an LED on the LED display. In addition, a special **meter for refilling water** is included, which makes the process easier and minimizes the risk of spilling water.

Ease of Use and Convenient Operation

The steamer is lightweight(**0.8 kg**) and compact, making it easy to store and use. Thanks to the length of the **1.8-meter** cord, you have a lot of freedom of movement when ironing, and its modern design in **beige and gold** makes the device fit perfectly into any kitchen or bathroom.
