Ease of Connection and Mobility

The **Extralink Smart Life** monitor uses **USB-C** and **Mini HDMI** for image transfer and power, providing a fast and convenient connection to your laptop or other devices. With its lightweight design and portability, the monitor is ideal for working on the go, providing an extra screen where needed. With **USB Type-C** (Power over Ethernet) power, a single connector is all it takes to keep the monitor running smoothly, without the need for additional power cables.

Połączenie bezpośrednio Jednym kliknięciem przełączanie do trybu wieloekranowego

Do podłączenia laptopa do monitora z dwoma ekranami potrzebny jest tylko jeden kabel danych (pełnofunkcyjny kabel typu C). Monitor obsługuje cztery tryby: tryb lustrzany, tryb rozszerzony, tryb połączenia i tryb podziału ekranu.
