Full product description

Extralink Smart Roller Blinds Motor

Extralink Smart Roller Blinds Motor is the latest automatic blind control device working in **Tuya environment**. Make your blinds, shutters and anything else that opens with a control chain smart. The device is easy to install and battery powered.

Extralink Smart Life Motor for roller shutters

The Extralink Smart Roller Blinds Motor is the latest in automatic blind control working in the Tuya environment. Make your blinds, shutters and anything else that opens with a control chain smart. The device is easy to install and battery powered.

Easy installation

The back panel has holes for self-tapping screws. It can also be attached to the wall with adhesive tape. Also included are interchangeable rotating mechanisms for bead sizes from 3mm to 6mm.

SIMPLE INSTALLATION

There are self-tapping screw holes on the back panel.

It can also be attached to a wall with adhesive tape.

Interchangeable rotating mechanisms for bead sizes from 3mm to 6mm are also included.

Wireless operation

The **Extralink Smart Roller Blinds Motor** is equipped with a built-in rechargeable battery that allows it to sustain power for **up to 48 hours**. Nevertheless, we recommend connecting the roller blinds motor to a permanent power supply using a 5V power adapter (not included).

Control roller shutters from anywhere with the app

Multiple control options

The Extralink Smart Roller Blinds Motor is a remote-controlled device within a home's Wi-Fi network that can be controlled with a smartphone using voice assistants such as Alexa or Google Assistant, automation or wireless switches. This device allows you to fully open and close blinds and shades and adjust their opening level with the appropriate settings.

Versatile use

Cooperation with smart home systems

The Extralink Smart Roller Blinds Motor Controller is an exceptional investment for the smart home, as it is compatible with a wide range of ecosystems, including Google Home, Amazon Alexa and Tuya. With this comprehensive compatibility, users can easily integrate the roller shutter control with other devices and services in their home to create personalized scenarios and automations.

The Extralink Smart Roller Blinds Motor controller is an exceptional investment for the smart home as it is compatible with a wide range of ecosystems, including Google Home, Amazon Alexa and Tuya

Tuya mobile app

The Tuya mobile app is the perfect tool for managing and controlling roller shutters using the Extralink Smart Roller Blinds Motor Controller. With the Tuya app, users have full control over their blinds no matter where they are. They can customize schedules for opening and closing blinds according to their preferences.
