Full product description

Govee H6056 Flow Plus

Govee Flow Plus Light Bars provide an incredibly immersive on-screen experience with **RGBICWW** technology. With smart voice and app control, you can personalize your light to best represent your style.

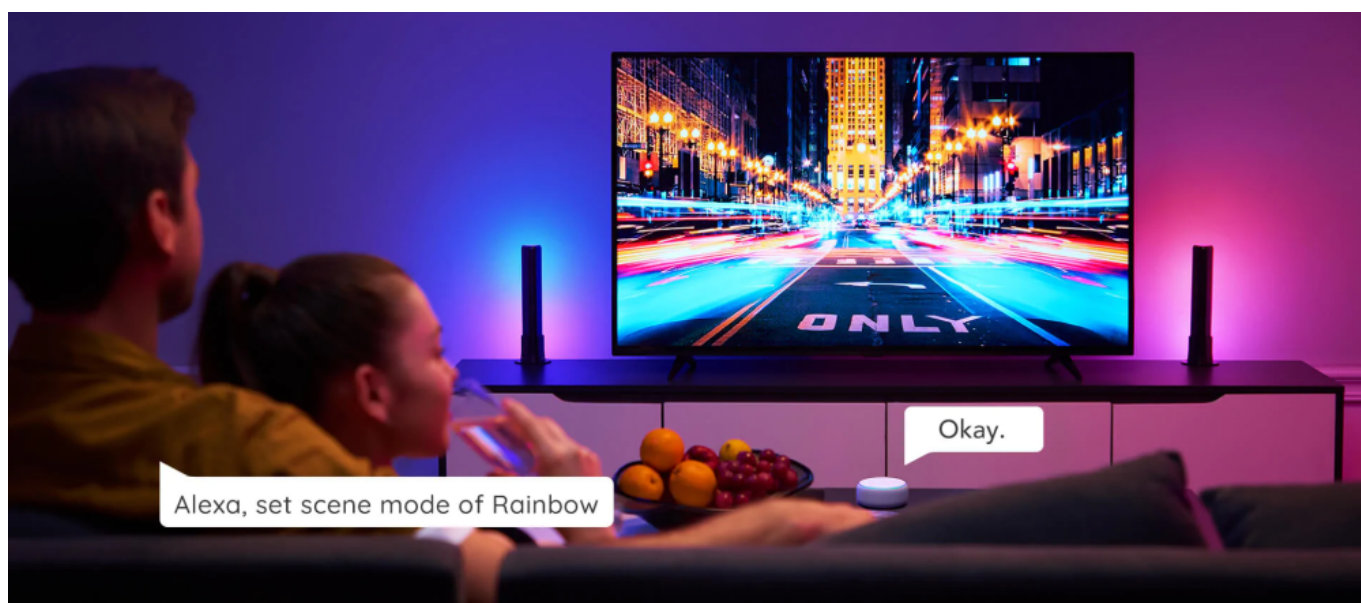

Synchronizes with your music

The **light responds to the beat of** your music or sound, providing an immersive audio experience like no other.

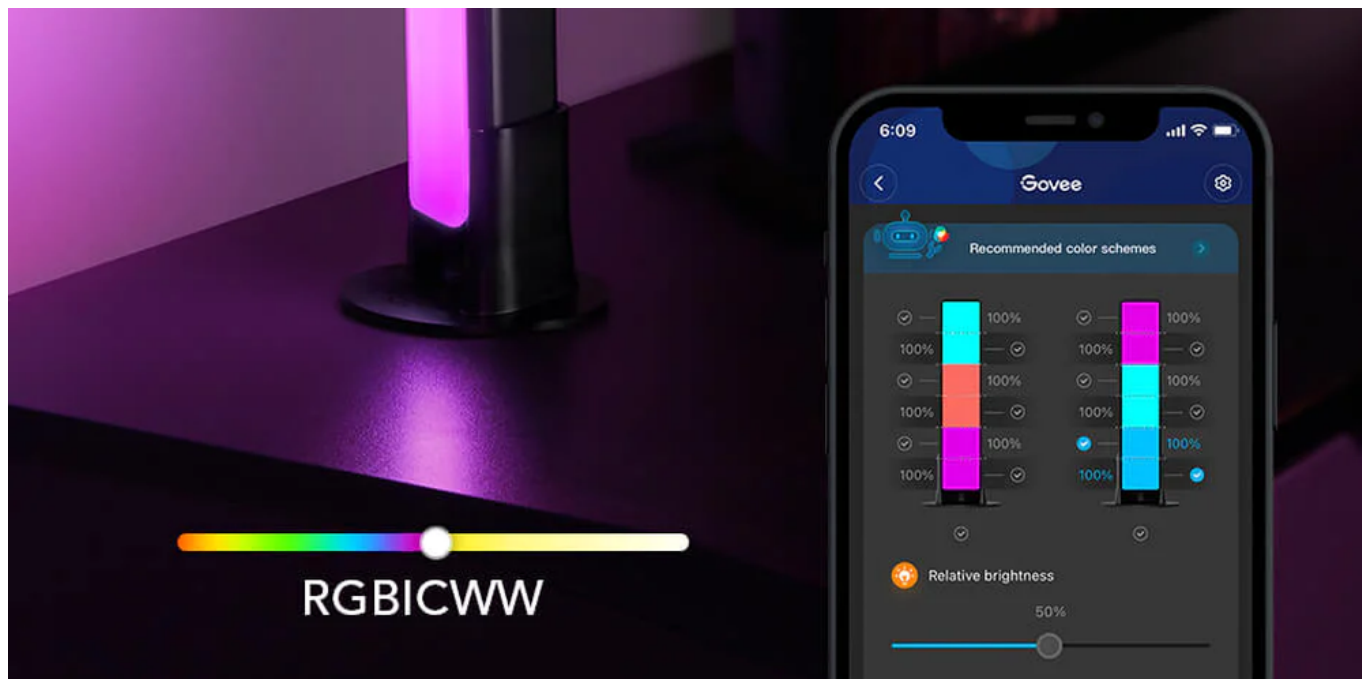

Voice control of lighting

Pair the **Govee Flow Plus** with **Alexa** or **Google Assistant** via Wi-Fi for effortless hands-free voice control.

Smart application control

Customize your lighting with the **Govee Home** app, including segmented color control, device grouping and automatic scheduling.

Versatile deployment options

Lay the **Govee Flow Plus** flat, vertically, or use the included brackets to mount behind a TV or monitor.
