Full product description

Elegance and functionality in one

UACC-G4-DB-Pro-Cover-White is a white overlay that allows the device to match the facade and interior. Its precision craftsmanship makes installation quick and convenient, and the durable material ensures long-lasting use.

Matching your style

The **Ubiquiti UACC-G4-DB-Pro-Cover-White** allows you to personalize your video caller. With its white color scheme, the device blends into the background for a consistent look with the building facade. If you're looking for an aesthetically pleasing way to modify **your G4 Doorbell Pro**, this overlay is an excellent choice.

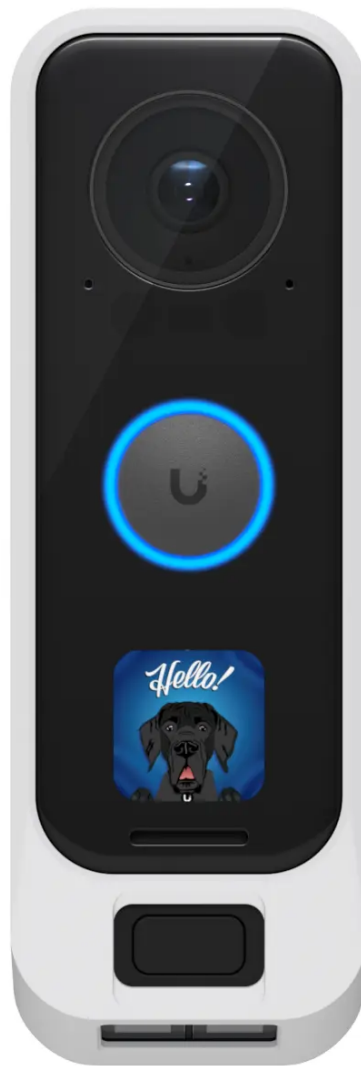

Simple installation and solid workmanship

The product is designed to make installation **quick and intuitive**. Simply remove the standard cover and apply the new one - without using any additional tools. The cap is made of **durable polycarbonate**, which protects the device from the weather.

Full compatibility with G4 Doorbell Pro

You don't have to worry about the fit - **the Ubiquiti UACC-G4-DB-Pro-Cover-White** is fully compatible with the **G4 Doorbell Pro**. The product fits perfectly on the device without obstructing the cameras or microphones. As a result, you retain the full functionality of your video doorbell.

Protection against scratches and dirt

The overlay protects the video phone case from **scratches and dirt**. This keeps the device looking impeccable for longer. This is especially important if the videophone is exposed to intensive use.
