Full product description

Xiaomi Air Fryer 6.5L Black EU for everyday cooking

Xiaomi Air Fryer 6.5L Black EU, BHR0840EU, MAF10 is a black 6.5-litre air fryer that helps prepare breakfasts, lunches, dinners and snacks with less fat. The large basket makes the appliance a good fit for a family kitchen, and the elegant black housing blends harmoniously with many interior arrangements.

Convenient preparation of meat and vegetables

The Xiaomi air fryer makes it possible to cook grilled chicken, vegetables, fries, fish, snacks and baked goods without the need to use a large amount of oil. Hot air evenly surrounds the ingredients, helping to achieve appetising crispness and a juicy interior in dishes.

Snacks for gatherings and family meals

The 6.5-litre model works well for shared dinners, get-togethers with friends and film nights. The spacious basket allows you to prepare a larger portion of wings, fries, nuggets or other snacks without heating up a large oven.

Help with preparing lighter dishes

Xiaomi Air Fryer 6.5L Black EU helps prepare fish, vegetables and meat in a simple way. Salmon, asparagus, potatoes or other ingredients can gain an appetising texture without the need for deep frying.

Large capacity for the whole family

The 6.5-litre capacity means the appliance works well when preparing larger portions of meals. This makes it easier to prepare lunch or dinner for several people, without having to cook dishes in several stages.

Black housing to suit many arrangements

The elegant black finish means the air fryer looks good in both light and darker kitchens. It can stay on the countertop, so it is always ready to prepare everyday meals.

Not just fries

The Xiaomi air fryer offers a wide range of uses in the everyday kitchen. You can prepare bread, vegetables, meat, fish, breakfasts and various kinds of snacks in it, which helps diversify the daily menu.

Everyday cooking made convenient

Xiaomi Air Fryer 6.5L Black EU is suitable both for preparing a quick breakfast and for a wholesome lunch or dinner. The large capacity and wide range of uses make the appliance help with everyday meal planning for the whole family.
