Manufacturer: EXTRALINK

Referention number: DNXGKHQNMNMHM

Information:

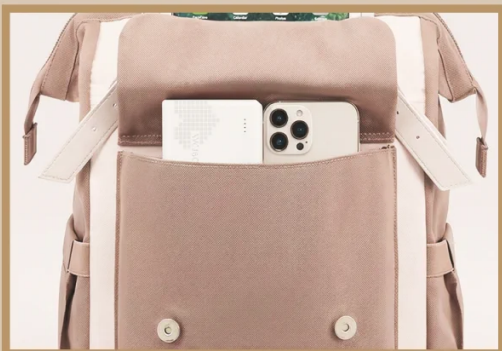

A travel backpack designed for maximum organisation and convenience. It offers 22 pockets, including a secure laptop compartment, a hidden pocket for valuables, side pockets for a water bottle, and a practical accessory organiser with elastic dividers and mesh pockets. With dimensions of 40 x 30 x 15 cm, it works well as cabin baggage that meets the requirements of many airlines. The suitcase strap makes travelling easier, while the soft, breathable shoulder straps and back with 8-milimetre sponge provide comfort even for many hours. The wide doctor bag-style opening makes packing and quick access to the contents easy.

Full product description

Perfect organisation with 22 pockets

Forget the chaotic search for small items while travelling. Thanks to **22 dedicated pockets**, every item – from a tablet and smartphone to documents – will find its safe place, giving you **maximum convenience and instant access** to the contents in any situation.

22 kieszenie dla Twojej wygody

Practical features for demanding travellers

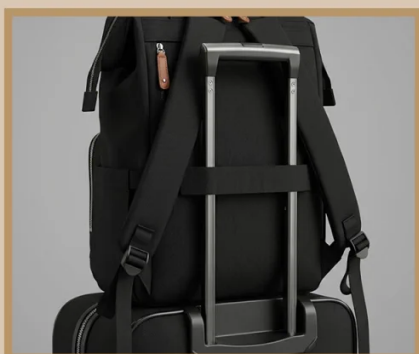

This backpack is your personal assistant on the move, equipped with a **practical suitcase strap** that will take the strain off your back at the airport. An additional **hidden pocket** protects your most valuable items from theft, while the side compartments let you keep a water bottle always close at hand.

Additional organiser for accessories included

Keep your electronics and small tools perfectly organised thanks to the **included organiser**. Elastic compartments and mesh pockets mean that cables, chargers or utensils are **always sorted** and ready to use without unnecessary untangling.

W zestawie organizer na akcesoria

Your perfect companion for air travel adventures

Designed with strict airline requirements in mind, the backpack measuring 40 x 30 x 15 cm is **excellent cabin baggage** that fits under the seat or in the overhead locker. Its elegant design ensures you look stylish both in the departures hall and while sightseeing in the city.

Idealny na bagaż podręczny

Comfortable to carry without compromise

Enjoy light travelling thanks to the **soft 8 mm foam** and breathable mesh on the straps and back. This system provides **optimal ventilation** and reduces pressure on the shoulders, allowing you to walk for hours without discomfort.

Miękka wygodna gąbka

8mm

Wide opening and easy access

The doctor bag-style design allows the **main compartment to open fully**, making packing and checking your belongings much easier. The interior lined with an attractive striped fabric hides a **secure laptop compartment**, protecting your equipment from scratches.
