Full product description

Sparkling water maker

The **SodaStream Crystal 2.0** is characterized by an elegant design and high functionality. The machine transforms tap water into sparkling sparkling water that tastes exceptionally fresh thanks to the glass carafe. The machine **comes with a 60-litre aluminium gas cylinder**, so you can make up to 60 litres of your favourite fizzy drinks. The machine itself is easy to use and clean.

Ecology

With the **SodaStream Crystal** sparkling water maker, not only will you save money on buying bottled sparkling water, but you will also help reduce plastic waste. The sustainable sparkling water maker saves up to 1,282 single-use plastic bottles in one year.

Stylish sparkling water maker

The SodaStream Crystal 2.0 Espresso Machine looks fantastic on your kitchen counter, and the included **0.6L** glass **bottle** is dishwasher safe. The SodaStream's sleek black and chrome design features a mechanism that holds the glass bottle in place while you prepare your carbonated beverage.

Jak bąbelkować?

3 Proste Kroki

1

Napełnij butelkę SodaStream wodą i wepnij do ekspresu.

2

Uwolnij bąbelki i ilością przycisków wybierz poziom nagazowania wody - słaby, średni lub mocny.

3

Dodaj ulubiony syrop smakowy dla lepszego smaku. Orzeźwij się!
