Full product description

Vibrating Massager 9in1 - Home Body Care

The **9-in-1** vibrating massager is a device designed for daily care and relaxation. **Rotational vib** ration technology promotes stimulation of circulation and improvement of skin elasticity, which promotes reduction of muscle tension. The lightweight design makes the device easy to use, and the intuitive operation means that the massage can be performed in both short and longer sessions, depending on the user's needs.

Speed Control and Versatility of Applications

The device has infinitely **variable speed control**, allowing you to adjust the intensity of the massage to your preference. The **28-watt** power allows for both gentle relaxing massages and more dynamic tissue support treatments. The massager can be used for thighs, arms, abdomen, buttocks, back and feet, making it a practical tool for a wide range of beauty treatments.

Durable Construction and Ergonomic Design

The body of the device is made of durable **ABS plastic**, which makes it easy to keep clean and increases resistance to daily use. **The ergonomic handle** promotes comfort during the massage, and the lightweight housing allows longer sessions without feeling hand fatigue. The rotating massage head distributes pressure evenly, which increases the effectiveness of work on selected parts of the body.

9 Replacement Tips - Complete Set

The kit comes with **9 different massaging tips**, allowing you to tailor the treatment to your current skin and muscle needs. These include a smooth tip, ball tip, wave tip, peeling tip, Tai Chi tip, spiked tip, smooth roller tip, roller tip with tabs, and **a protective mesh** to protect the hair during head massage. Each is designed for a different type of work - from relaxation, to stimulate circulation, to massage to promote skin firming.

Specifications and Kit Contents

The device measures **20 × 15 × 9 cm**, operates at **220 V / 50 Hz** and has a **stepless speed control**. The black and white color scheme and the illuminated dial add to the comfort of operation. The set includes **a vibrating massager, 9 massaging tips, instruction manual** and **packaging**. With such equipment, the user gets a full set for care and regeneration of the body at home.
