momcozy

Manufacturer: MOMCOZY

Referention number: DNKGJOIJERMLPJ

Information:

Momcozy YN21 is a seamless, ultra-soft nursing bra designed with maximum comfort in mind during pregnancy, lactation and everyday wear. The smooth cut makes it invisible under clothing, while the wire-free construction does not press or irritate sensitive skin or milk ducts. Removable pads allow you to adjust the level of support, and the one-handed fastening makes quick access to the breasts and night-time feeding easier. The model also works well as a bra for a breast pump and for sleeping, combining comfort, functionality and a discreet appearance.

Full product description

Momcozy YN21 nursing bra - the definition of comfort

Momcozy YN21 is a product that makes everyday **feeding** a pleasure for every mother. This **nursing bra** has been designed to provide the highest **comfort** around the clock, being **ultra-soft** against sensitive skin. By choosing the **YN21** model, you are opting for a solution that supports **breastfeeding** at every stage of motherhood, combining pure **comfort** with the functionality needed every day.

Pregnancy and pump bra - perfect fits

This **maternity bra** responds flexibly to changes in the body during **pregnancy**. As a **pump bra**, it allows you to operate your **breast pump** efficiently at any time, making it easier to organise pumping sessions. The **Momcozy** product is fully **multi-functional**, guaranteeing precise **fits** and the support that modern mothers need when looking for solutions for special tasks.

Wszechstronny
na każdą okazję

Soft nursing bra without underwire

The construction without a rigid **underwire** guarantees no irritation and complete **comfort** while wearing. This **wireless bra** has a removable **insert**, allowing individual adjustment of support. It is a **soft seamless nursing bra** that prevents pressure on the milk ducts, making it an intuitive choice both for sleeping and for intensive use during the day.

Key benefits

- **Seamless** and **smooth** material makes the **bra** invisible under **clothing**.
- The **ultra-soft** fabric composition guarantees **comfort** for 24 hours a day.
- The construction without **underwire** eliminates the risk of painful pressure during **breastfeeding**.
- **Multi-functional design** - ideal as a **maternity bra** and support for a **breast pump**.
- Quick access to the breasts thanks to the one-handed fastening, making every night-time **feeding** easier.

The product is ideal for

- Women looking for underwear in the form of a **soft nursing bra** that does not restrict movement during sleep.
- Expectant mothers needing flexible support at every stage of **pregnancy**.
- People who value **seamless bras** that provide an elegant look under fitted clothing.
- Mothers using a breast pump, for whom a **pump bra** must be gentle and functional.
