Manufacturer: MOMCOZY

Referention number: DNXGJOIJRMMIP

Information:

Momcozy YN21 is a beige, seamless nursing bra that combines a discreet look with exceptional comfort. The elastic material adapts to the changing body shape during pregnancy and after childbirth, while the absence of underwires ensures softness, freedom of movement and no pressure. The model is invisible under clothing, breathable and comfortable for sleeping as well. The practical one-handed fastening makes breastfeeding easier, and the design also works well when using a breast pump. Removable pads gently shape the bust, offering support for everyday wear and during lactation.

Full product description

Momcozy YN21 nursing bra - comfort in beige

Momcozy YN21 is a beige **nursing bra** that combines subtle aesthetics with the highest standard of comfort. This **bra** has been designed for mothers looking for reliable support at every stage of motherhood. Thanks to its exceptional elasticity, the **YN21** model adapts precisely to a changing figure without losing its shape. It is the ideal solution for women who value **Momcozy** products that make everyday life easier.

Seamless bra - invisible under clothing

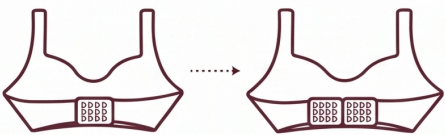

This **seamless nursing bra** uses advanced production technology, making it almost undetectable under everyday **clothing**. The material is extremely **smooth**, which eliminates the problem of visible seams even with very fitted outfits. By choosing this **seamless bra**, you gain confidence and discretion, whether you are at home or at a meeting. The **seamless** design is the foundation of modern **Nursing Bra** lingerie.

Maternity bra ideal for a breast pump

This product is perfect from the first months as a **maternity bra**, offering **ultra-soft** support for sensitive breasts. During lactation, its design allows convenient attachment of a **breast pump**, which significantly streamlines the milk expression process. This **bra** is an option for mothers for whom **pregnancy** and the postnatal period require specialist clothing. It is a **seamless maternity bra** that grows with you.

Soft nursing bra without underwires

Eliminating the hard **underwire** makes the **bra super comfortable** and completely safe for the milk ducts. It is extremely **soft** and **wire-free**, allowing the skin to **breathe** freely and helping to prevent irritation. This **soft bra** has removable pads that provide gentle shaping. As a **wire-free nursing bra**, it guarantees freedom of movement that classic, rigid lingerie cannot offer.
