Full product description

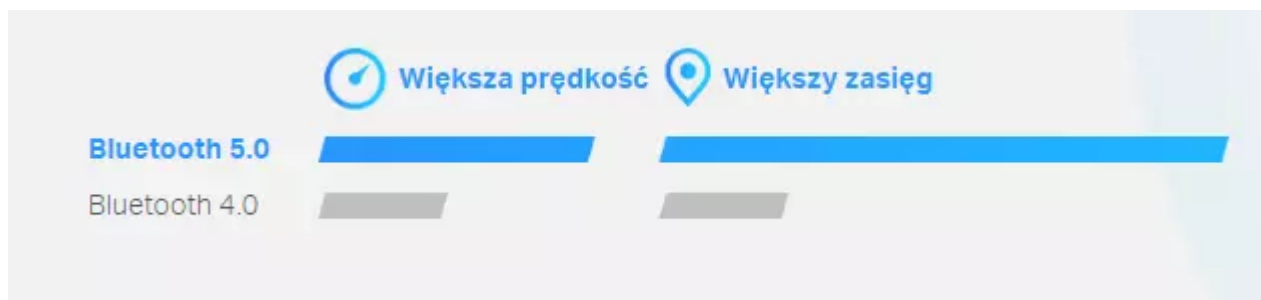

Wireless connectivity

The **UB500** equips your computer with advanced Bluetooth 5.0 technology that brings many improvements over previous versions. It provides stable **Bluetooth** communication between your devices and your PC or laptop.

Reliable speed, reliable range

The faster **connection speed** and **longer range** compared to Bluetooth 4.0 ensure a **strong and stable wireless connection** between your computer and Bluetooth devices.

Connect your computer using Bluetooth

Connect your Bluetooth devices to your computer. Connect **up to 7 Bluetooth devices simultaneously**. You can transfer files, music, videos between your Bluetooth devices and your computer at 2x the speed*.

Comfortable size

The **ultra-small form** factor allows you to plug the adapter into any USB port and leave it there, no matter if you're traveling or using it at home.

**Speed, range and transmission capability are based on lab tests. Realistic performance may vary in daily use.*
