Full product description

Modernity, functionality and elegance in one device - Xiaomi Watch 2 Pro.

The Silver Case with Brown Leather Strap watch is an excellent choice for those who appreciate the combination of elegance and advanced technology. This smartwatch not only impresses with its appearance, but also offers a wide range of functions that will make your life easier and more organized. With 4G LTE support, you can always stay connected, no matter where you are.

Advanced sleep monitor

The Xiaomi Watch 2 Pro offers detailed sleep monitoring that **analyzes your sleep** for the past 7 days, providing accurate data on the duration and quality of **your** sleep. This allows you to better understand your habits and improve the quality of your rest.

Personalized watch faces

The Xiaomi Watch 2 Pro allows you to fully personalize the look with a wide selection of watch faces. You can easily match the look of your smartwatch to your style, choosing from **classic, sporty or modern designs**.

Powerful Snapdragon W5 Gen 1 processor

At the heart of the Xiaomi Watch 2 Pro is a state-of-the-art **Snapdragon W5 Gen 1 processor**, which ensures smooth performance and fast response to your commands. Thanks to it, the smartwatch works efficiently and using it is comfortable regardless of the number of running applications.

Long battery life

The Xiaomi Watch 2 Pro is equipped with a battery that provides long hours of use on a single charge. In addition, the **fast-charging feature** allows you to charge the watch in a short period of time, so you'll always be ready for new challenges.
