Uczyń swoje życie wygodniejszym – z naszym eleganckim fotelem

The support that envelops you

The Jane armchair is distinguished by its contoured backrest, which gives a wraparound feeling on all sides. It has been further accentuated with five decorative buttons, which gives it elegance and enhances seating comfort. Immerse yourself in the luxury that this unique backrest offers.

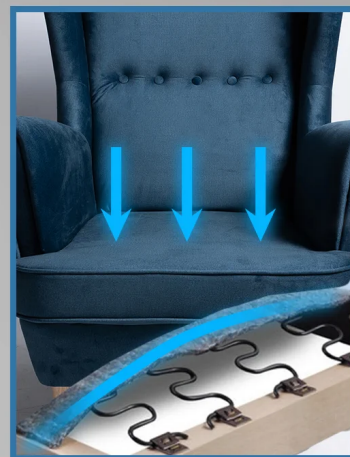

Innovative Design

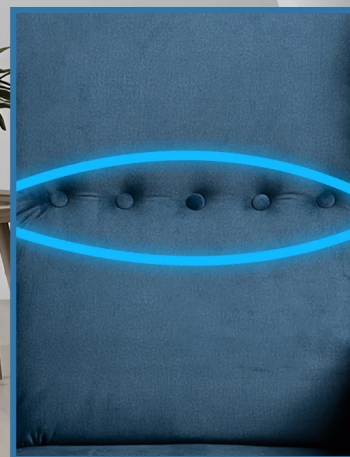

The back of the chair is made of flexible material supported by rubber straps, which ensures durability and comfort. The structure is partly based on a multi-layer board, reinforced with a central wooden slat, which guarantees stability and long life. The seat frame is equipped with four independent A-type corrugated springs with brakes to prevent them from sliding out, ensuring reliability for years to come.

Profilowane oparcie fotela sprawia że siedząc czujemy jakby fotel nas "otulał" z każdej strony

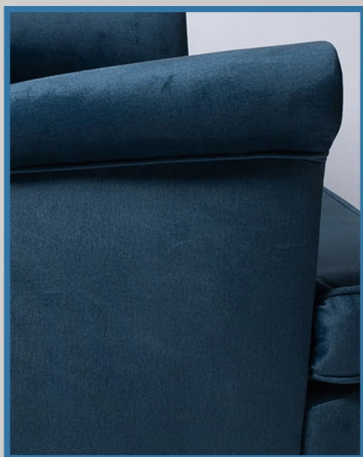

Stelaż siedziska wyposażony w 4 niezależne sprężyny faliste typu A, zabezpieczone hamulcem na wypadek wysunięcia się sprężyny

5 guzików w jednym rzędzie podkreśla wklęsłą formę oparcia, jednocześnie dodatkowo profilując

Maximum Comfort

The increased density of foam on the armrests and in the front of the sides gives a feeling of maximum comfort. The user can count on soft and solid support while resting. In addition, the armchair is equipped with solid wood lacquered legs, which combine elegance with durability.

Zewnętrzna część boczaków oraz oparcia wyłożona 200 gramowym runem uwypukla te części, powoduje też że w dotyku jest to miłe i przyjemne

Elegance and Functionality

The attention to aesthetics manifests itself even in invisible elements, such as the black bezel at the mounting points of the legs, which ensures a perfect appearance from all sides. The outer part of the sides and backrest is lined with 200-gram fleece, which gives the furniture a soft and pleasant texture.
