### Information:

Mould King 23004 is an impressive 1:6-scale cruiser motorcycle model, consisting of 1971 elements. It recreates a classic American machine with a massive silhouette, long frame and low centre of gravity. The set stands out with a realistic engine with moving pistons, a steering fork, rotating wheels, and chrome exhaust and suspension details. Its retro character is emphasised by the marine-coloured tank, brown seat and refined gauges. Made from durable ABS, it provides a satisfying build, develops technical skills and looks great as an eye-catching decorative piece.

### Full product description

#### Iconic American Cruiser

Build a legend of the road with the **Mould King 23004** set. This impressive model in **1:6 scale** consists of **1971 pieces**, creating a detailed replica of a classic cruiser motorcycle. The massive silhouette, low centre of gravity, and characteristic long frame give the construction a raw style and mechanical strength of American engineering.

## Key Features of Mould King 23004

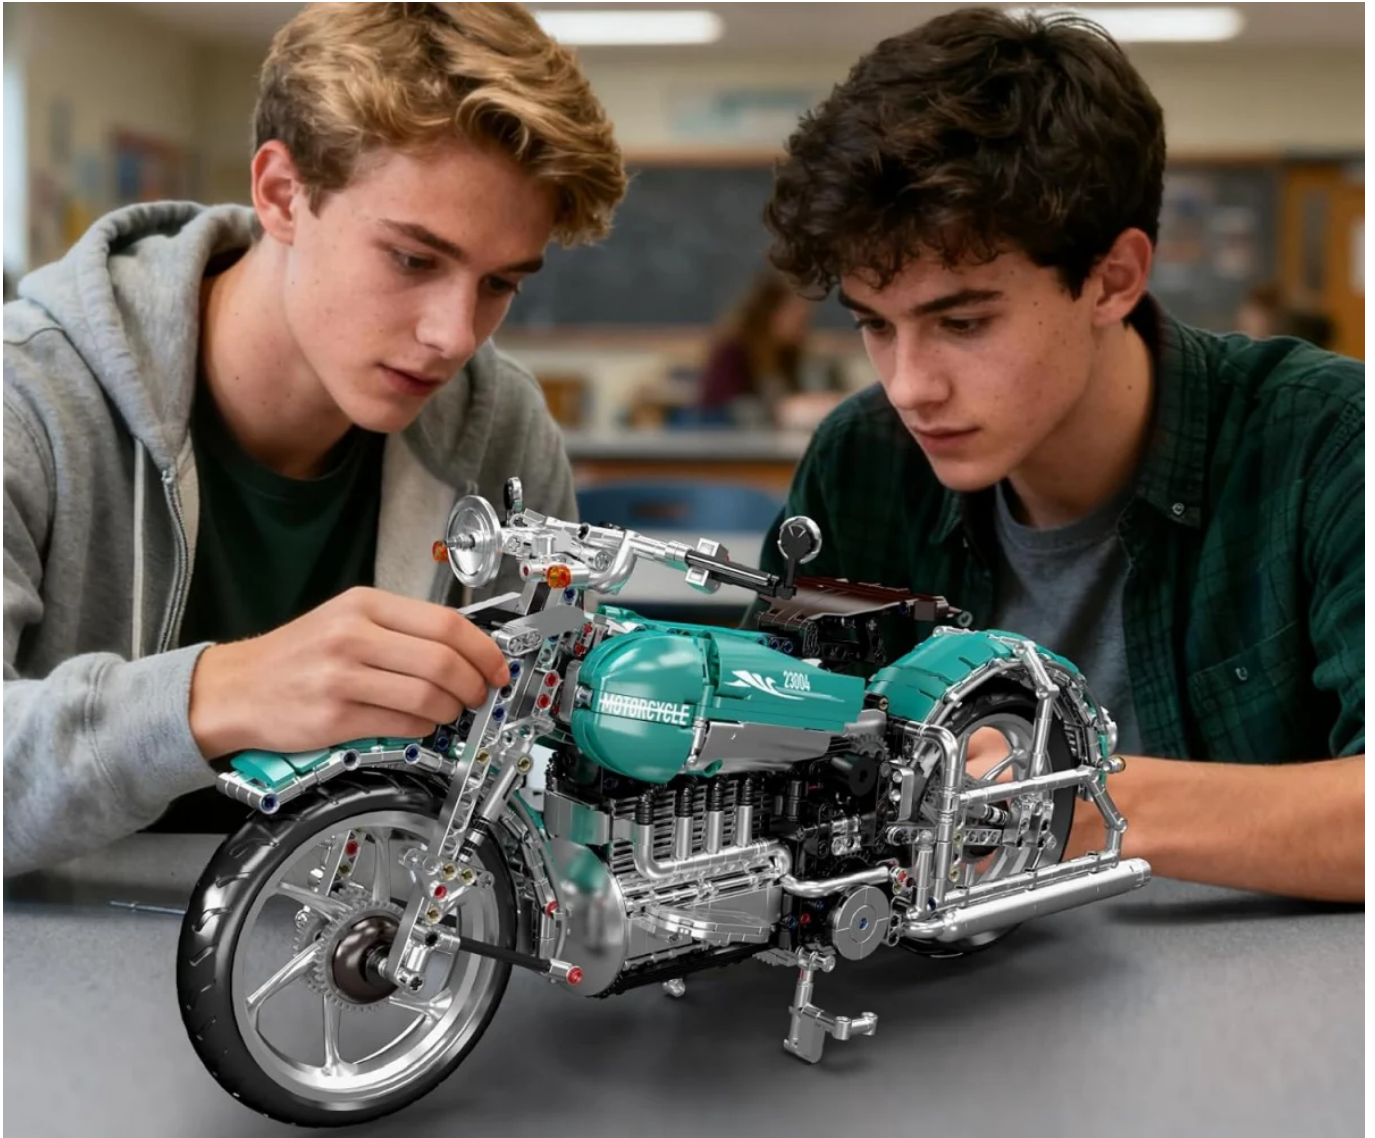

- **Realistic engine** with visible pistons moving during operation.
- **Retro aesthetics** highlighted by a marine tank and brown seat.
- **Chrome details** on the exhaust and suspension adding authentic shine.
- **Moving parts** including a steerable fork and rotating wheels.
- **Sturdy construction** made from high-quality ABS material.

## Precision and Mechanical Details

The model offers advanced solutions that every mechanics enthusiast will appreciate. **Chrome exhaust pipes**, precise **gauges on the handlebars**, and headlights replicate the details of a real machine. The use of high-quality blocks ensures smooth assembly, and the finished structure maintains stability, helping to showcase the motorcycle as an elegant decoration for an office or living room.

## Satisfaction from Building

The process of assembling nearly two thousand pieces is an engaging challenge that allows for an in-depth exploration of motorcycle construction. The set focuses on **visual and structural aspects**, offering rich details such as mirrors and a kickstand. With its thoughtful structure, **Mould King 23004** contributes to the development of technical skills and provides hours of satisfying entertainment.
