Information:

The Mould King 10195 - Ghost Ship is an extraordinary offering for fans of pirate adventures. Comprising 932 pieces, the model depicts a mysterious vessel with dark sails and intricate deck details, blending fantasy with realistic design. Building the ship is not just fun; it also provides the opportunity to discover additional sections, such as the lower decks and the captain's cabin. The model measures 40.9 cm in length, 10.7 cm in width, and 31.8 cm in height, making it perfect for display. It features numerous details, such as rotating cannons and accessories like a parrot and barrels, which add even more realism to the play experience. The Ghost Ship is not just a model to assemble, but also an inspiration for creating your own thrilling pirate tales.

Full product description

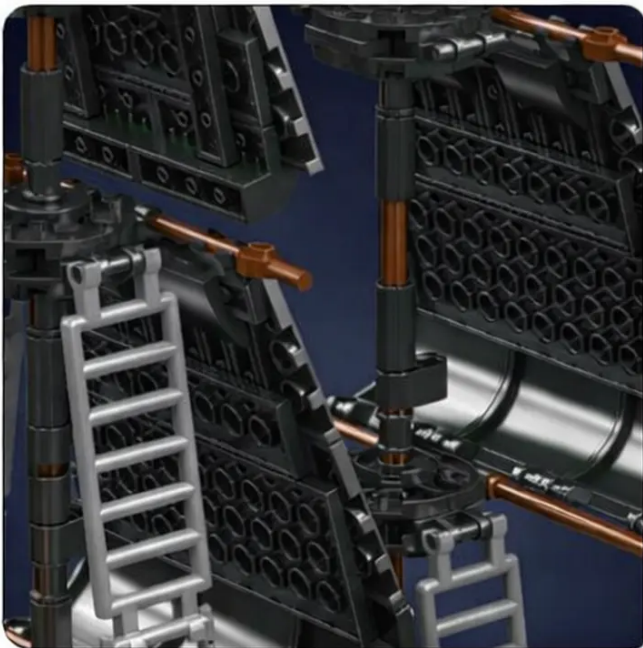

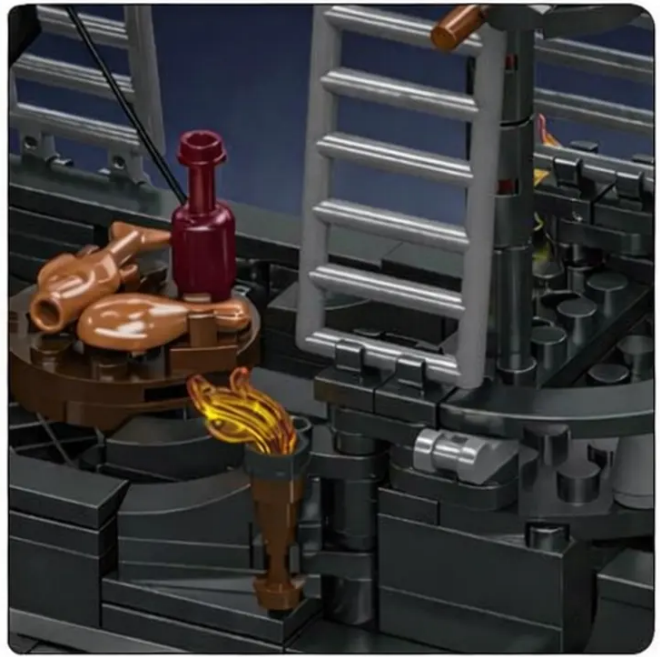

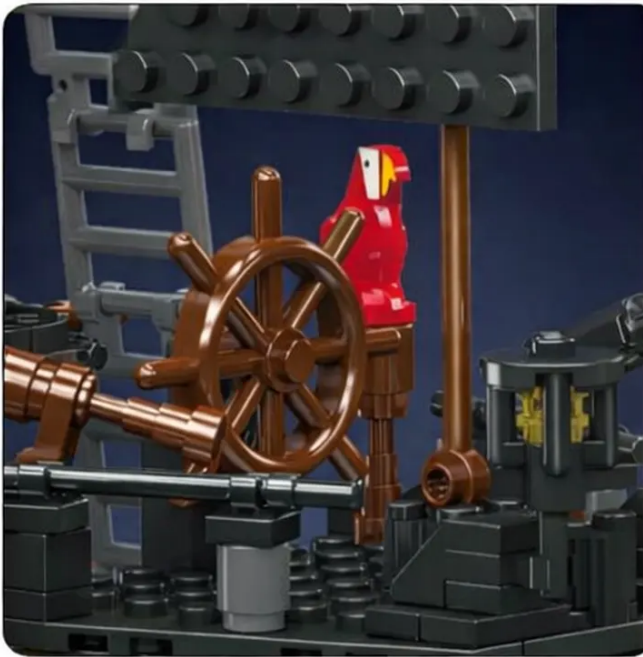

Ghost Ship - Pirate - Pirate Adventure in Your Hands

Step aboard the eerie ship and embark on a sea voyage amidst the mist of mystery! The Mould King 10195 - Ghost Ship set is a unique offering for fans of pirate adventures, fantastic atmospheres, and impressive block models. It's not just a toy - it's a true adventure to build that sparks the imagination and allows you to create a legendary sailing ship straight from maritime tales.

Impressive Design of the Pirate Ship

The set consists of 932 pieces and includes precisely crafted blocks compatible with popular brands. The model depicts a mysterious ship floating on endless waters – dark sails, deck details, and decorative hull elements give it a unique, gothic character.

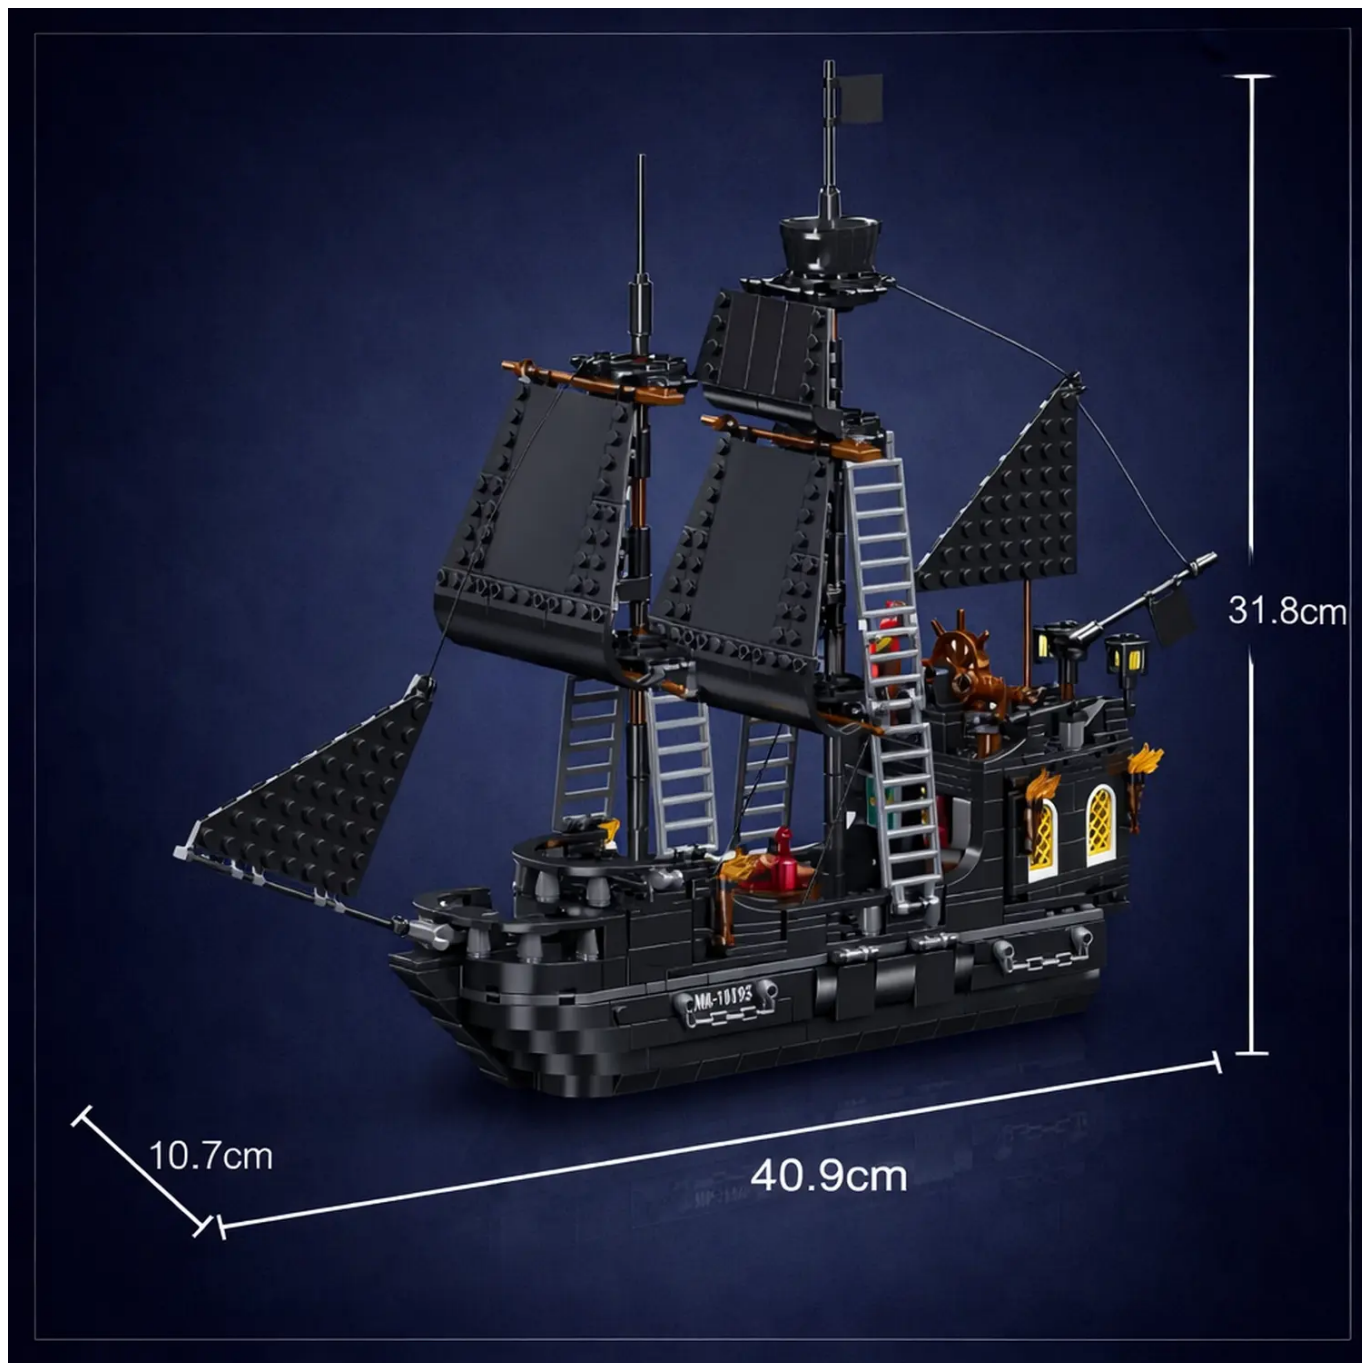

Expansion of the Ghost Ship

Building this set is a true adventure – with each hour of assembly, you discover new sections of the ship: from the lower decks and captain's cabin to masts and cannons. Each element has been designed with a focus on realistic appearance and sturdy construction, ensuring that once assembled, the model looks fantastic both on a shelf and during play.

Dimensions and Details

Once assembled, the model measures 40.9 cm in length, 10.7 cm in width, and 31.8 cm in height, making it ideal for display. Every detail, from rotating cannons to fun accessories like a parrot, lanterns, and barrels, enhances realism and allows for the creation of your own pirate adventures.
