Information:

Mould King 27103 is a detailed LeMans Endurance racing model in 8-stud wide scale, inspired by legendary long-distance prototypes. The set consists of 347 pieces and faithfully reproduces the aggressive silhouette, aerodynamic lines, front grille, side mirrors and rear spoiler. The model features a movable steering wheel, a refined cabin interior and a durable ABS construction. Included is a transparent display case that protects against dust, making the model ideal for a desk or shelf. Its compatibility with other building bricks and attractive appearance make it an ideal choice for motorsport and building fans.

Full product description

LeMans Endurance Racing Model

The **Mould King 27103** set is a detailed replica inspired by legendary **LeMans**-type racing cars. The model in **8-stud wide** scale faithfully captures the aggressive silhouette and aerodynamic lines of endurance prototypes. The construction, made up of **347 elements**, reproduces characteristic details such as the front grille, side mirrors and rear spoiler.

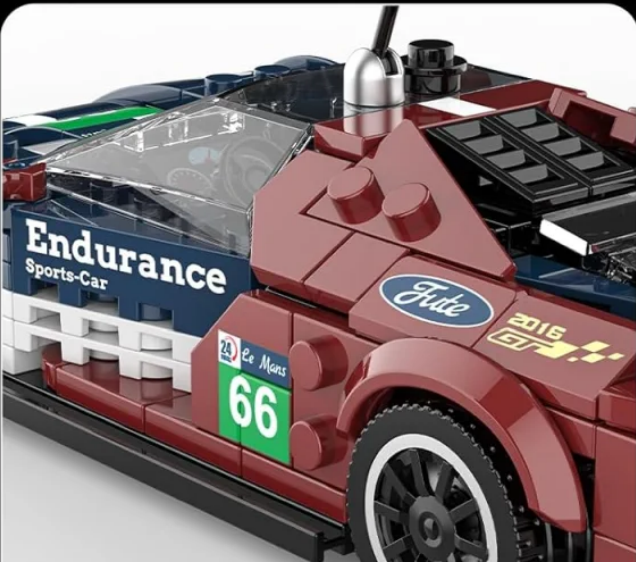

Key features of Mould King 27103

- **Movable steering wheel** and a carefully designed cockpit interior.
- **Display case** included, which protects the model from dust.
- Construction made of **ABS plastic**, which contributes to the durability of the assembled vehicle.
- Compact dimensions ideal for display on a desk or shelf.
- Compatibility with other construction bricks from well-known brands.

Aesthetics and the passion for building

Assembling this model **helps develop mechanical skills** and logical thinking. The vivid colour scheme and precise fit of the bricks make the finished car look like a **work of automotive art**. The included transparent acrylic box allows for safe storage and display of the collection.
