Information:

Mould King 10137 is a detailed pirate sailing ship model made up of 928 pieces, created for fans of sea adventures and striking displays. The black-and-red hull, gold railings, wooden accents and twin masts with unfurled sails and pirate flags give it an authentic look. The model features a movable rudder, an adjustable anchor chain, an opening captain's cabin with fittings, cannons, a crow's nest, a skeleton figure and a detachable rowing boat. Its length of over 50 cm makes it an impressive display piece for any collection, and its compatibility with other brick systems increases the possibilities for play and expansion.

Full product description

Pirate Ship Model

The **Mould King 10137** set is a detailed replica of a classic vessel that takes builders into the world of maritime adventure. Consisting of **928 pieces**, the model stands out with its black-and-red hull colour scheme, gold railings and wooden deck accents. Twin masts with unfurled sails and pirate flags give the build an **authentic treasure-hunter look**.

Key features of MK-10137

- **Moving elements:** a rotating rudder and an adjustable anchor chain.
- **Interactive interior:** opening doors to the captain's cabin with fittings.
- **Themed details:** a crow's nest, cannons and a skeleton figure at the bow.
- **Additional accessories:** a detachable rowing boat that expands display options.
- **High compatibility:** the bricks connect with other popular construction systems.

Functionality and details

The build offers many technical touches that adult brick fans will appreciate. Inside the **captain's cabin** there is a navigation table, a treasure map and barrels, creating a complete scene. The model, over **50 cm** long, makes the ship a striking centrepiece in any collection. The clear instructions help with the smooth assembly of all the **advanced details** of the hull.
