Information:

Extralink Home Air Fryer SJ-600 is an air fryer with a 6,5 l capacity, ideal for preparing larger portions for the whole family. Thanks to hot air circulation technology, it allows you to fry, bake and reheat dishes with a limited amount of oil, while preserving flavour and crispness. The appliance has a convenient control panel with temperature and timer adjustment, and the removable basket makes it easy to use and clean. It is a practical and versatile solution for everyday cooking.

Full product description

Extralink Home Air Fryer SJ-600 6.5L Oil-Free Fryer

The Extralink Home Air Fryer SJ-600 is a kitchen appliance that uses hot air to prepare a variety of dishes. The large 6.5-litre chamber allows you to conveniently prepare portions for several people, and the appliance's design makes cooking simpler and more comfortable.

Preparing food using hot air

Hot air circulation technology makes it possible to prepare food with a limited amount of oil. The appliance helps achieve the right texture and taste for many dishes, such as chips, vegetables, meat or snacks, without the need for traditional deep frying.

Spacious 6.5-litre basket

The spacious 6.5-litre cooking chamber allows you to prepare larger portions of food in a single cycle. This solution works well both for everyday meals and for preparing snacks for family or guests.

Convenient controls and adjustable operating parameters

The appliance's control panel makes it easy to set the cooking parameters. Temperature and operating time adjustment allow you to tailor the fryer's performance to the type of ingredients and the desired result.

Versatile use in the kitchen

The Extralink Home Air Fryer SJ-600 can be used to prepare many different dishes. The appliance allows baking, reheating and preparing snacks, making it a useful addition to any kitchen.

Practical design and easy cleaning

The removable basket and thoughtful design of the appliance make meal preparation and cleaning after use easier. Its compact form means the fryer will work well in both larger and smaller kitchens.
