Information:

The 1500 W PR-357 steam vacuum cleaner combines vacuuming and wet cleaning, effectively removing dirt from floors, upholstery and other surfaces without the use of chemicals. It heats up quickly in 30 seconds, and the 370 ml tank ensures convenient, longer operation. The 5-metre cord and included attachments make it easy to reach hard-to-access areas. Its compact, lightweight design makes the appliance easy to store and comfortable for everyday use.

Full product description

Steam Vacuum Cleaner 1500W

The steam vacuum cleaner combines vacuuming and wet cleaning functions, ensuring effective removal of dirt from floors, upholstery and other surfaces. Thanks to steam technology, it is an ideal solution for maintaining cleanliness throughout the home, offering a high level of hygiene and user comfort.

Performance and Cleaning Efficiency

The 1500 W device with 240 V voltage provides high steam power, which effectively removes dirt. The 370 ml water tank allows for long-lasting operation without frequent refilling, and the heating time is just 30 seconds.
