Information:

The XXL oil-free fryer with an 8 l capacity and 1800 W power allows you to prepare larger portions quickly and conveniently, making it ideal for family use or gatherings. Air Fryer technology uses hot air circulation, so dishes are crispy without the use of oil and without the intense smell of frying. The appliance offers 10 automatic programmes, temperature control from 76–200°C, and a 1–60 minute timer with an end signal. Ease of use is enhanced by the touch LCD screen, viewing window, electronic thermostat, and a basket with a non-stick coating, which makes cleaning easier.
