Information:

Mould King 10023 is a decorative construction set with 1513 pieces, allowing you to build an impressive flower bouquet in a pot inspired by fairy lilies. The white flowers, green leaves and decorative twigs create a light, elegant arrangement that works perfectly as a decoration for the home, office, desk, chest of drawers or shelf. The model can be arranged freely, changing the position of the petals, leaves and the length of the stems, which gives great creative freedom. Once assembled, the bouquet is approx. 43,4 cm wide and 63 cm high. The set is packed in an elegant box and includes an illustrated instruction manual, making it a great gift idea as well. The bricks are compatible with other brands.

Full product description

Bouquet of bricks

Mould King 10023 is a decorative building set depicting a bouquet of flowers in a pot. The model consists of 1,513 pieces and, once assembled, creates a decorative item that works well at home, in the office, on a desk, a chest of drawers or a shelf.

云裳仙子·百合
NO. Fairy Lily

Inspired by lilies

The bouquet was inspired by fairy lilies. White flowers, green leaves and decorative branches create a light composition that catches the eye and offers an interesting alternative to traditional flowers.

Creative arrangement

Assembling the model is an enjoyable pastime for fans of bricks, plants and decorations. The bouquet elements can be arranged as you like, changing the position of the petals, leaves and the length of the stems to create a composition suited to your style.

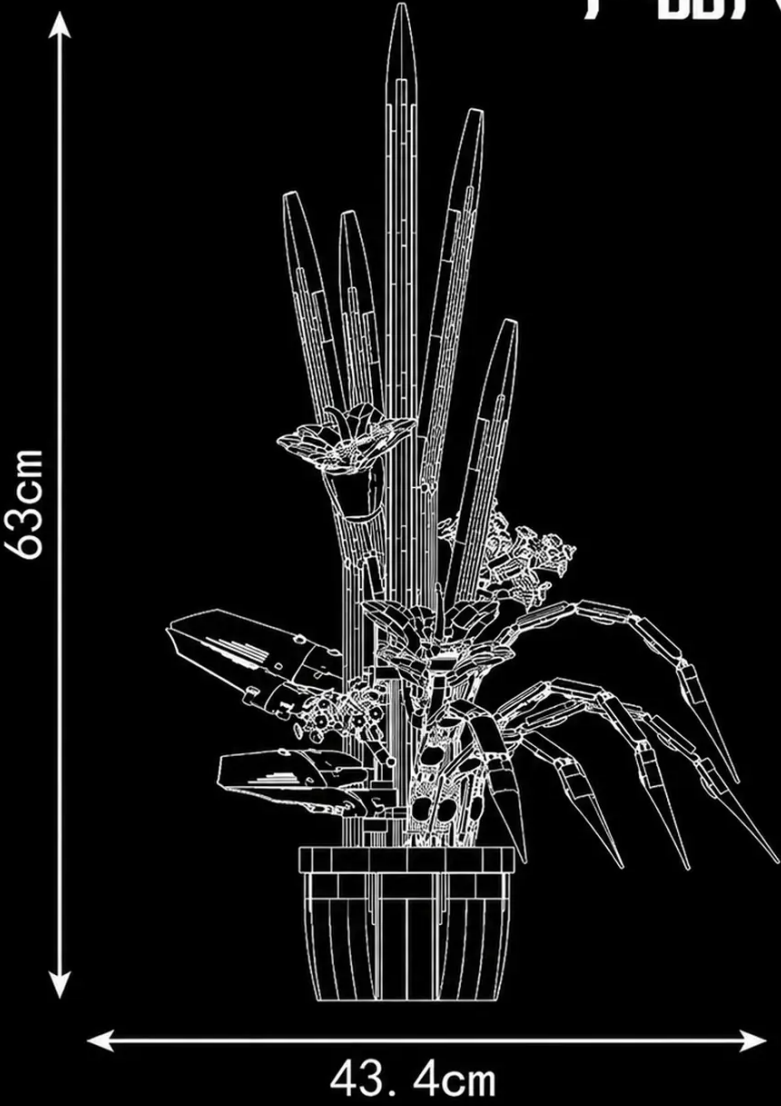

Ready for gifting

Once assembled, the bouquet measures approximately 43.4 cm wide and 63 cm high. The set comes in an elegant box and includes detailed illustrated instructions. It is an interesting gift idea for mum, grandma, a loved one, and anyone who likes flowers, plants and building sets. The bricks are compatible with other brands of this type.
