Information:

MOULD KING 24108 Orchid Bonsai is a decorative building set with 1014 pieces, from which an elegant orchid in a black pot is created. White flowers, yellow centres, green leaves and slender stems form a calm, plant-inspired composition ideal for the living room, bedroom, office or relaxation area. The model does not require watering or care, and once assembled it becomes an eye-catching decoration for a shelf, desk or table. The large format of 33,7 x 17 x 30,4 cm makes it stand out, while the building process itself provides creative and satisfying entertainment, developing patience and precision.

Full product description

Brick Orchid Bonsai

MOULD KING 24108 ORCHID BONSAI BUILDING BLOCK SET is a construction set of 1,014 pieces that creates a decorative orchid in a black pot. White flowers, yellow centres, green leaves and slender stems form a calm composition inspired by a potted plant. The model looks great on a table, shelf, desk or in a home relaxation area.

Interior decoration

The brick orchid lets you enjoy a plant-inspired motif without watering or daily care. The black pot gives the composition an elegant look, while the delicate flowers make the model suitable for a living room, bedroom, study or office space. It is an option for people who enjoy creative building and decorative models for display.

Striking form

Once assembled, the model measures approx. 33.7 cm in length, 17 cm in width and 30.4 cm in height. This makes the orchid a distinctive decorative element, while still being easy to place on furniture or in a display cabinet. The set offers an enjoyable building process that helps develop patience, concentration and careful placement of small details.
