Full product description

Orchid made of bricks

MOULD KING 24119 ORCHID BOTANICAL BUILDING SET is a construction set consisting of 386 pieces, from which an elegant **orchid made of bricks** in a blue pot is created. Delicate white flowers, green leaves and a decorative form make the model well suited as a desk, shelf, table or home botanical collection ornament.

Subtle interior decoration

Brick orchid combines a plant motif with a decorative character, making it an interesting accent in the living room, bedroom, office or hobby room. The blue pot adds lightness to the whole, and the flowers in light colours help bring a calm, pleasant atmosphere into the space without the need for watering or care.

Creative assembly

The set offers calm, engaging fun while arranging the stems, leaves, petals and pot. Building the **botanical model from bricks** helps you switch off from everyday duties and gives satisfaction from creating a decoration with your own hands. Once assembled, the orchid can be displayed as a lasting floral arrangement.
