Information:

MOULD KING 24120 Plum Blossom Botanical Building Set is a decorative set of 393 pieces, from which an elegant plum blossom branch in a white pot is created. The red flowers and dark branches form an eye-catching botanical composition that will beautifully decorate a desk, shelf, chest of drawers or table. It is a stylish alternative to live plants: it requires no watering or care, while bringing a natural, calm atmosphere into the interior. Ideal for lovers of creative building, collectors and those looking for an original gift.

Full product description

Plum branch made of bricks

MOULD KING 24120 PLUM BLOSSOM BOTANICAL BUILDING SET is a construction set consisting of 393 pieces, from which a decorative **brick-built plum branch** in a white pot is created. Red flowers, dark branches and an elegant form make the model eye-catching and it can become a stylish decoration for a desk, shelf, chest of drawers or table.

Floral accent

The intense red of the flowers contrasts nicely with the light pot, creating a composition inspired by classic plant motifs. **Botanical brick set** allows you to build a decoration that does not require watering or care, while helping to bring a calm, natural atmosphere into the interior.

Decoration with character

Once assembled, the **brick-built plum branch** fits perfectly into arrangements inspired by nature, oriental style and calm interior accessories. It is an interesting choice for collectors, fans of creative building and people looking for a gift that combines relaxing fun with a decorative final effect.
