The chrome-plated grill grate with a diameter of 33 cm and the 34 cm fire bowl provide a convenient grilling surface for sausages, pork neck, burgers, vegetables and skewers. The powder-coated wind shield improves grilling comfort even in more difficult conditions.

Full product description

Charcoal garden barbecue - ideal for gatherings in the garden

The charcoal garden barbecue is an excellent choice for gatherings in the garden, at the allotment, or while away on trips. Its compact design makes it easy to carry, and its solid construction ensures durability for many seasons. Thanks to the suitable grilling surface, preparing tasty dishes for family and friends becomes a simple pleasure.

Ease of use and safety

The barbecue is characterised by simple operation and quick lighting. The stable construction ensures safety while grilling, and its size is perfectly suited to garden spaces. It is a tool that not only makes gatherings more enjoyable, but also ensures user comfort.

Main product features

Among the most important advantages of the charcoal barbecue are its solid metal construction, quick lighting and compact dimensions, which make the barbecue easy to carry. It is an ideal option for family gatherings and outdoor grilling, making it an essential piece of equipment on any patio or in the garden.

Dimensions and specifications

The charcoal barbecue measures 35 cm in width and 56 cm in length, which makes it large enough to prepare a full meal, but also small enough to store and transport easily. The firebox has a diameter of 34 cm, and the chrome-plated grate with a diameter of 33 cm provides a suitable grilling surface.

Dishes you can prepare

The barbecue is perfect for preparing a variety of dishes. You can cook sausages, pork neck, burgers, vegetables, as well as kebabs. Thanks to its versatility, every barbecue enthusiast can easily prepare their favourite dishes.

Portable charcoal barbecue - functionality and mobility

The charcoal barbecue is a great solution not only for the garden, but also for trips away. Thanks to its small size, it fits easily into a car boot, making it perfect for outdoor outings. In addition, the powder-coated wind shield provides convenience even in more difficult weather conditions.
