Type	Smart floor lighting

Full product description

Govee H60B0 RGBWW RGBIC WW Uplighter Floor Lamp - A lighting revolution in your home.

The Govee H60B0 is a floor lamp that will change the way you view lighting in your home. With advanced RGBIC and RGBWW technology, you have full control over the lighting effects and light color to perfectly match your mood. Easily manage your lighting with the Govee app, by voice using Alexa or Google Assistant, or traditionally with the control panel.

Advanced RGBIC effects

The Govee H60B0 offers **intelligent RGBIC light** for dynamic, multi-color lighting effects. With RGBIC technology, you can achieve seamless transitions between colors, allowing you to create lighting effects perfect for any interior. Whether you want to create a relaxing atmosphere or crank up the energy in a room, this lamp will work perfectly.

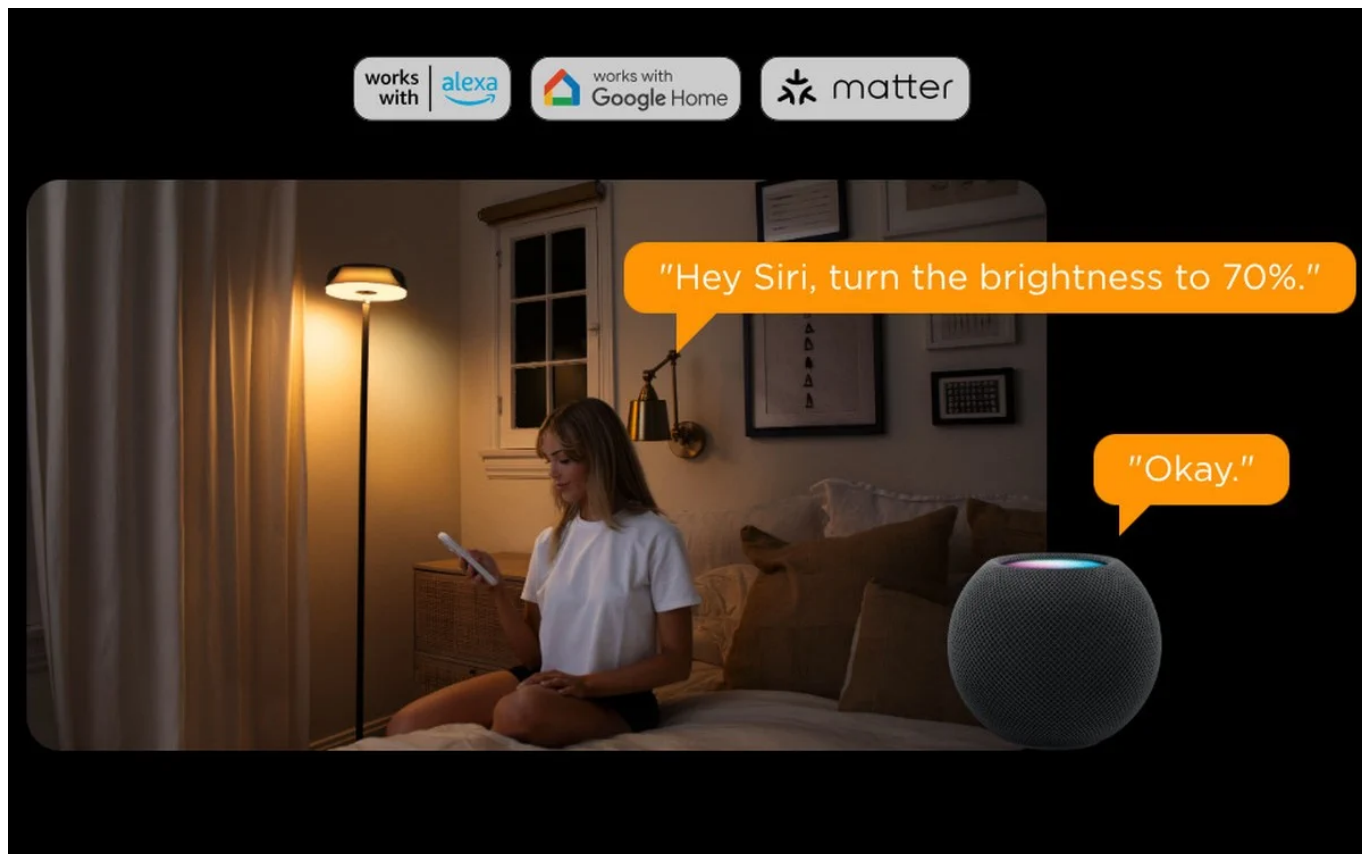

Two types of light

The lamp offers **two lighting modes** - an **RGBWW top light** that provides colorful effects, and a **WW bottom light** with **1000 lumens**, which is ideal for everyday use. This combination allows you to create different atmospheres in the room depending on the time of day and your needs. By adjusting the brightness and colors, you can match the light to the current conditions.

Wireless control

Using **Wi-Fi and Bluetooth**, the lamp is fully compatible with the **Govee Home** app and the **Alexa** and **Google Assistant** voice assistants, so you can **control it by voice** or remotely. With this feature, the lighting in your home becomes part of your smart home, allowing you to conveniently manage the light from anywhere. You can change colors, adjust brightness and turn the lamp on or off easily.

Stylish design and functionality

The Govee H60B0 is a **floor lamp** with a modern design that blends well in a variety of interior styles. The use of an **RGBWW top light** and an **RGBIC center decorative light** combined with a **WW bottom light** makes the lamp both practical and aesthetically pleasing. It will be perfect as a decorative element to complement the decor of your home.
