Govee

Manufacturer: GOVEE

Referention number: DNXXGGOHSLRMNGM

Product features

Input voltage	24 V
Maximum operating current	1500 mA
Suitable location	Universal
Compliance certificates	CE
Works with the Google Assistant	Yes
Suitable for light type	Ambience
Package weight	470 g
Power consumption (typical)	2.5 W
Interface	Wi-Fi/Bluetooth
Colour changing	Yes
Smartphone/tablet remote support	Yes
IFU / User manual	Yes
Wi-Fi frequency	2.4
Voice control	Yes
Operating temperature (T-T)	-10 - 40 °C
Cut to size	Yes
Package depth	160 mm
Package height	70 mm
AC adapter included	Yes
Package width	175 mm
Package type	Box
Works with Amazon Alexa	Yes

Doesn't contain	Cadmium
Color Rendering Index (CRI)	80
Length	5000 mm
Energy efficiency scale	A to G
Suitable for indoor use	Yes
Energy efficiency class	G
Wi-Fi standards	802.11b
AC input voltage	200 V
Energy consumption per 1000 hours	3 kWh
Number of LEDs	120
Power source type	AC
Light colour type	Multi
Product colour	White
Type	Smart strip light

Full product description

Smart lighting that changes the atmosphere of your home!

The Govee H612A RGBIC is a 5 LED strip that will allow you to create the perfect atmosphere in your home with advanced Wi-Fi and Bluetooth control features. With support for the Govee Home app and compatibility with Google Assistant and Amazon Alexa, you can easily adjust the colors, lighting modes and brightness to suit any situation.

Control via Wi-Fi and Bluetooth from the Govee Home app

The Govee H612A LED strip allows for easy control via **Wi-Fi and Bluetooth** with the Govee Home app. You can control colors, brightness and modes from anywhere, as well as create your own lighting scenes. What's more, with **64 predefined modes** and a sound response function, the lights can "dance" to the beat of your favorite music.

Advanced RGBIC lighting effects and color diversity

Thanks to RGBIC technology, the Govee LED strip displays **16 million colors**, allowing you to create unique effects. Unlike standard LED strips, Govee RGBIC allows you to control individual segments, adding a dynamic and multicolored touch to any room. In addition, the **transparent protective coating** makes the tape resistant to damage, while maintaining color intensity.

RGBIC Lighting Effects

Voice assistant compatibility and Matter support

The Govee H612A works with **Amazon Alexa** and **Google Assistant**, allowing you to seamlessly control your lighting with voice commands. With support for **Matter**, you can easily integrate the ribbon with various smart home systems. Whether you use your voice, an app or a classic button, you have full control over the lighting in your home.
