Biodance

Manufacturer: BIODANCE

Referention number: DNXXGKNPRGRMNJ

Information:

The Biodance Bio-Collagen Real Deep Mask hydrogel collagen mask intensely moisturises, smooths and supports skin elasticity. It is suitable for dry, dehydrated, tired and dull skin, as well as for visible pores, fine lines and loss of firmness. The formula with low-molecular collagen, oligo-hyaluronic acid, niacinamide, Galactomyces and fermented ingredients helps maintain an appropriate level of hydration, improves suppleness and evens out the complexion. The hydrogel adheres well to the face and gradually becomes transparent, so the mask can be used during the day or overnight. The pack contains 1 mask 34 g.

Full product description

Intensive care

The Biodance Bio-Collagen Real Deep Mask hydrogel collagen mask is a product designed for the care of skin that needs hydration, smoothing and improved elasticity. The mask is suitable for dry, dehydrated, tired skin, with visible pores, fine lines and signs of loss of firmness.

Active ingredients

The mask formula has been infused with an essence containing active ingredients such as low-molecular collagen, oligo hyaluronic acid, niacinamide, Galactomyces and fermented ingredients. Collagen supports skin elasticity, hyaluronic acid helps maintain the right level of hydration, and niacinamide contributes to a more even-looking complexion.

Smoothing effect

Regular use of the mask helps give the skin a smoother, more rested and radiant appearance. The product supports daily skincare for skin that needs refreshing, soothing and improved comfort. It is a good choice both for an evening routine and when the complexion needs more intensive regeneration.

Hydrogel formula

The hydrogel sheet adheres well to the face and gradually becomes more transparent during application. This is related to the essence being absorbed by the skin. Thanks to this formula, the mask can be used before an important outing, after an intense day or as one of the steps in a night-time skincare routine.

How to use

The product can be used in two ways. During the day, apply the mask after toner or serum and leave it on the skin for about 3-4 hours or until it becomes transparent. In the evening, it can be used as the final step of your skincare routine and left on overnight. After removing the mask, gently pat the remaining essence into the skin of the face, neck or décolletage.

34 g mask

Biodance Bio-Collagen Real Deep Mask is an option for those looking for skincare that combines hydrating, smoothing and firming effects. The product works well in the care of dry, mature, sensitive and dull skin. The package contains 1 hydrogel collagen face mask weighing 34 g.
