Full product description

GOVEE H61A8 RGBIC - Outdoor lighting to bring your space to life

Govee H61A8 RGBIC Outdoor Neon Strip Lights is a product that will provide a modern look to any outdoor space. With the 10-meter long light strip, you can create a unique atmosphere to liven up your evenings outdoors.

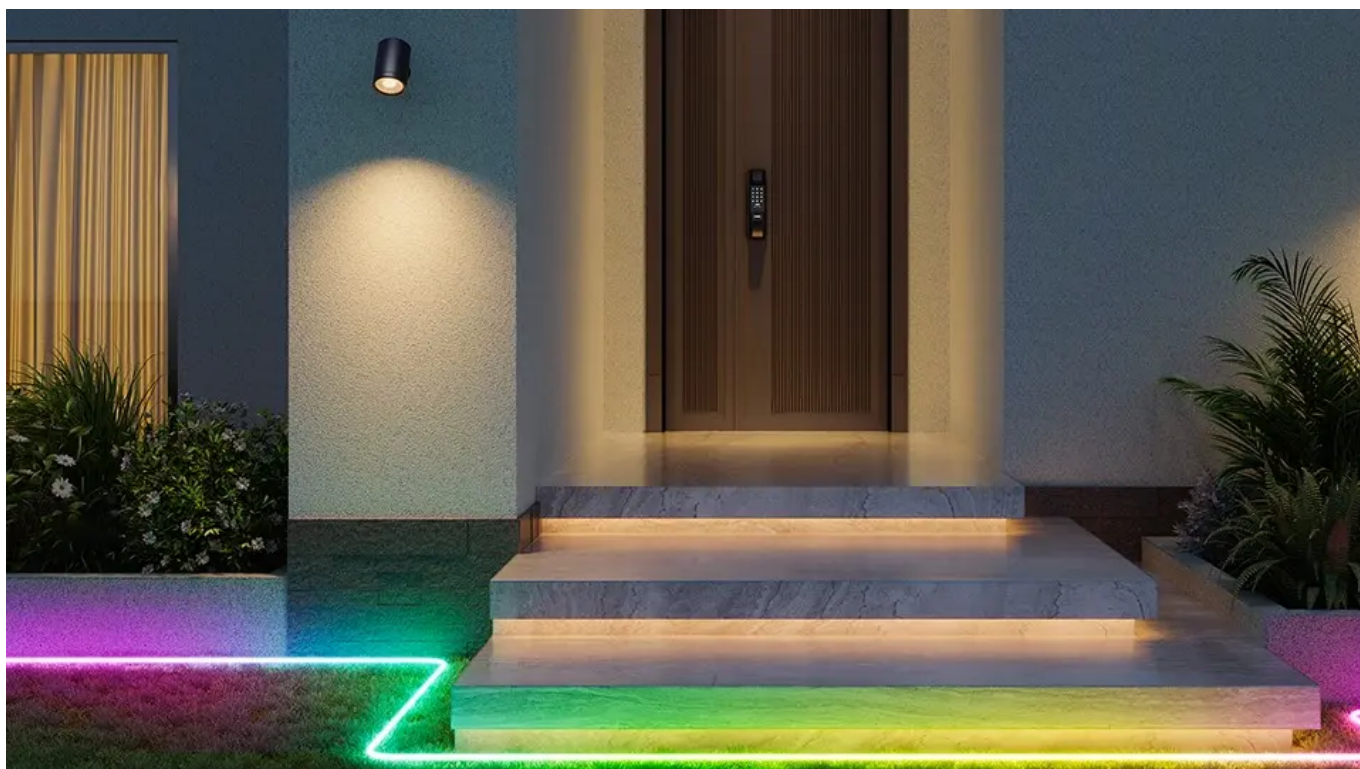

Dynamic lighting effects

With **RGBIC technology**, the Govee H61A8 light strip offers multi-color lighting with segmented control. You can choose different colors for different sections, creating unique lighting effects to suit your mood or event. Enliven your outdoor space with dynamic and **subtle lighting effects**.

Durability and water resistance at IP67 level

Designed specifically for outdoor use, this **RGBIC tape** is weatherproof thanks to an **IP67** waterproof rating for the tape itself and **IP65** for the adapter. Regardless of rain, moisture or dust, the tape will retain its properties, providing long-lasting and reliable lighting. The product can withstand any conditions, giving you peace of mind and confidence in its outdoor use.

Voice and application control

Operating your lights has never been easier - manage your lights with the Govee Home app or voice commands compatible with Google Assistant and Alexa. You can easily change colors, effects, and sync the lights to music. **The 11 music modes** will additionally make any outdoor party even more memorable.
