Cut to size	Yes
AC adapter included	Yes
Works with Amazon Alexa	Yes
Color Rendering Index (CRI)	21
Length	3000 mm
Colour temperature (max)	2500 K
Energy efficiency scale	A to G
Luminous flux	120 lm
Energy efficiency class	G
AC input frequency	50 Hz
AC input voltage	100 V
Energy consumption per 1000 hours	26 kWh
Number of LEDs	252
Bulb power	36 W

Light colour type	Multi
Total power	36 W
Product colour	Black
Watch case material	Silicone
Type	Smart strip light

Full product description

Govee RGBIC LED Neon Rope Desk Lights H61C3

Want to give your desk a unique style and atmosphere? Get inspired by the **Govee H61C3 RGBIC LED** neon light line to create amazing lighting effects on and around your desk. This flexible and bright LED strip is **ideal for decorating the edge of** your desk, the wall behind it or other decor elements.

Key features of Govee H61C3 Neon Gaming Table Light

Govee Home app - more than 64 scene modes, 11 music modes, DIY mode

Using the **Govee Home app**, you can easily control the LED strip with **Bluetooth** connectivity from anywhere within range. You can choose from **64 scene modes and 11 music modes** to match the lighting to your mood or activity. You can also create your own lighting effects with the **DIY feature**, which allows you to change colors, brightness and speed.

Voice control

If you prefer to control the Govee H61C3 vape by voice, you can do so with **Alexa or Google Assistant**. Just speak a simple command to turn the lights on or off, change color or mode. You don't have to worry about the remote control or buttons.

RGBIC technology

Govee RGBIC LED strip H61C3 has a unique **RGBIC** technology that allows you to display multiple colors on a single segment. This allows you to get **more dynamic and creative lighting effects than ordinary RGB LED** tape. The LED strip also has a high-quality silicone coating and a luminous diffuser to ensure durability and even light dispersion.

Can be cut to fit most desks

The Govee tape can be cut at any of the **12 specified cutting points** and resized to provide a perfect fit for most desks, with a useful length of 2 to 3 meters.
