Information:

Momcozy Flange Insert 17 mm is a replaceable insert for Momcozy S9 Pro and S12 Pro breast pumps, allowing the flange size to be adjusted to the user's individual needs. It reduces the diameter of the flange tunnel, increasing comfort and convenience during daily pumping at home, at work or while travelling. The insert is easy to fit, simple to clean and store, and its compact design makes it a practical accessory for mothers looking for a better pump fit without replacing the entire set.

Full product description

Momcozy Flange Insert 17 mm - insert for S9 Pro and S12 Pro breast pumps

Momcozy Flange Insert 17 mm is a replaceable insert for the funnels of **Momcozy S9 Pro** and **Momcozy S12 Pro** breast pumps, allowing the funnel size to be adjusted to the user's individual needs. The component has been designed for mothers who need a smaller funnel tunnel size so that using the breast pump is better suited to the shape of the breast.

Compatibility with Momcozy S9 Pro and S12 Pro breast pumps

The **Momcozy Flange Insert 17 mm** is intended for use with compatible **Momcozy S9 Pro and S12 Pro** breast pumps. Fitted inside the funnel, it changes its diameter, helping to achieve the right fit during milk expression.

Comfort for everyday milk expression

The correctly chosen funnel size is important for comfortable use of a breast pump. The **17 mm** insert allows the funnel tunnel to fit the user better, helping to increase comfort during regular use of the device at home, at work or while resting.

Easy assembly and cleaning

The insert has been made as an additional breast pump accessory that can be easily placed in the funnel. The design allows the parts to be conveniently taken apart after use and prepared for reuse in accordance with the manufacturer's recommendations.

A practical accessory for mothers using a breast pump

Momcozy Flange Insert 17 mm is a useful extra for users of the S9 Pro and S12 Pro models who want to adjust the funnel size to their needs. The compact design makes it easy to store and use the insert every day.

Compatibility with the Momcozy accessory system

The insert has been prepared as part of the Momcozy breast pump accessory system. Thanks to the dedicated **17 mm** size, it allows a compatible funnel to be adjusted to the user's individual preferences.

Contents of the set

The set includes the **Momcozy Flange Insert 17 mm** intended for compatible Momcozy breast pumps. The product is a replaceable accessory and allows the funnel size to be adjusted without having to replace the entire breast pump set.
