Full product description

MOMCOZY Flange Inserts for S9 Pro / S12 Pro 21 mm - breast pump inserts 4 pcs.

MOMCOZY Flange Inserts 21 mm are a set of replacement inserts designed for use with **MOMCOZY S9 Pro and S12 Pro** breast pumps. The accessories help adjust the flange size to the user's individual needs, which may contribute to greater comfort while expressing milk. The pack contains **4 inserts in 21 mm size**.

Compatibility with MOMCOZY S9 Pro and S12 Pro breast pumps

The inserts have been designed with users of the **MOMCOZY S9 Pro** and **MOMCOZY S12 Pro** models in mind. The elements allow the appropriate flange size to be used, which helps make the breast pump comfortable to use during daily milk expression.

Comfort while expressing milk

Correct flange sizing is important for comfortable use of a breast pump. **MOMCOZY 21 mm inserts** help create a more tailored solution for users who need a smaller size than the device's standard flange.

Practical set of replacement parts

The set includes **4 transparent inserts with a diameter of 21 mm**, which can serve as additional equipment for users of MOMCOZY S9 Pro and S12 Pro breast pumps. The replacement accessories make it easier to maintain proper hygiene and allow spare parts to be used when needed.

Easy assembly and cleaning

The transparent design of the inserts makes it easy to check their condition during use. The elements have been designed as replacement parts for MOMCOZY breast pumps, so they can be easily fitted and prepared for the next use in accordance with the manufacturer's recommendations.

Set contents

The set includes **4 MOMCOZY Flange Inserts in 21 mm size**. The accessories are intended for use with compatible MOMCOZY S9 Pro and S12 Pro breast pumps.
