Full product description

Dynamic lighting effects with the Govee H70B1 LED Curtain Light

Discover a mesmerizing light show with the **Govee RGBIC Curtain Lights**. Equipped with **520 LEDs**, these lights not only provide vivid illumination, but also allow for **personalized light choreography**. Whether it's a quiet evening or a festive occasion, these lights are sure to add extra ambience.

Unparalleled pattern display

Govee Curtain Lights are composed of **520 teardrop-shaped light beads**, providing the perfect density of light. This intricate design allows for clearer, brighter and more breathtaking light patterns, turning any space into an enchanting haven.

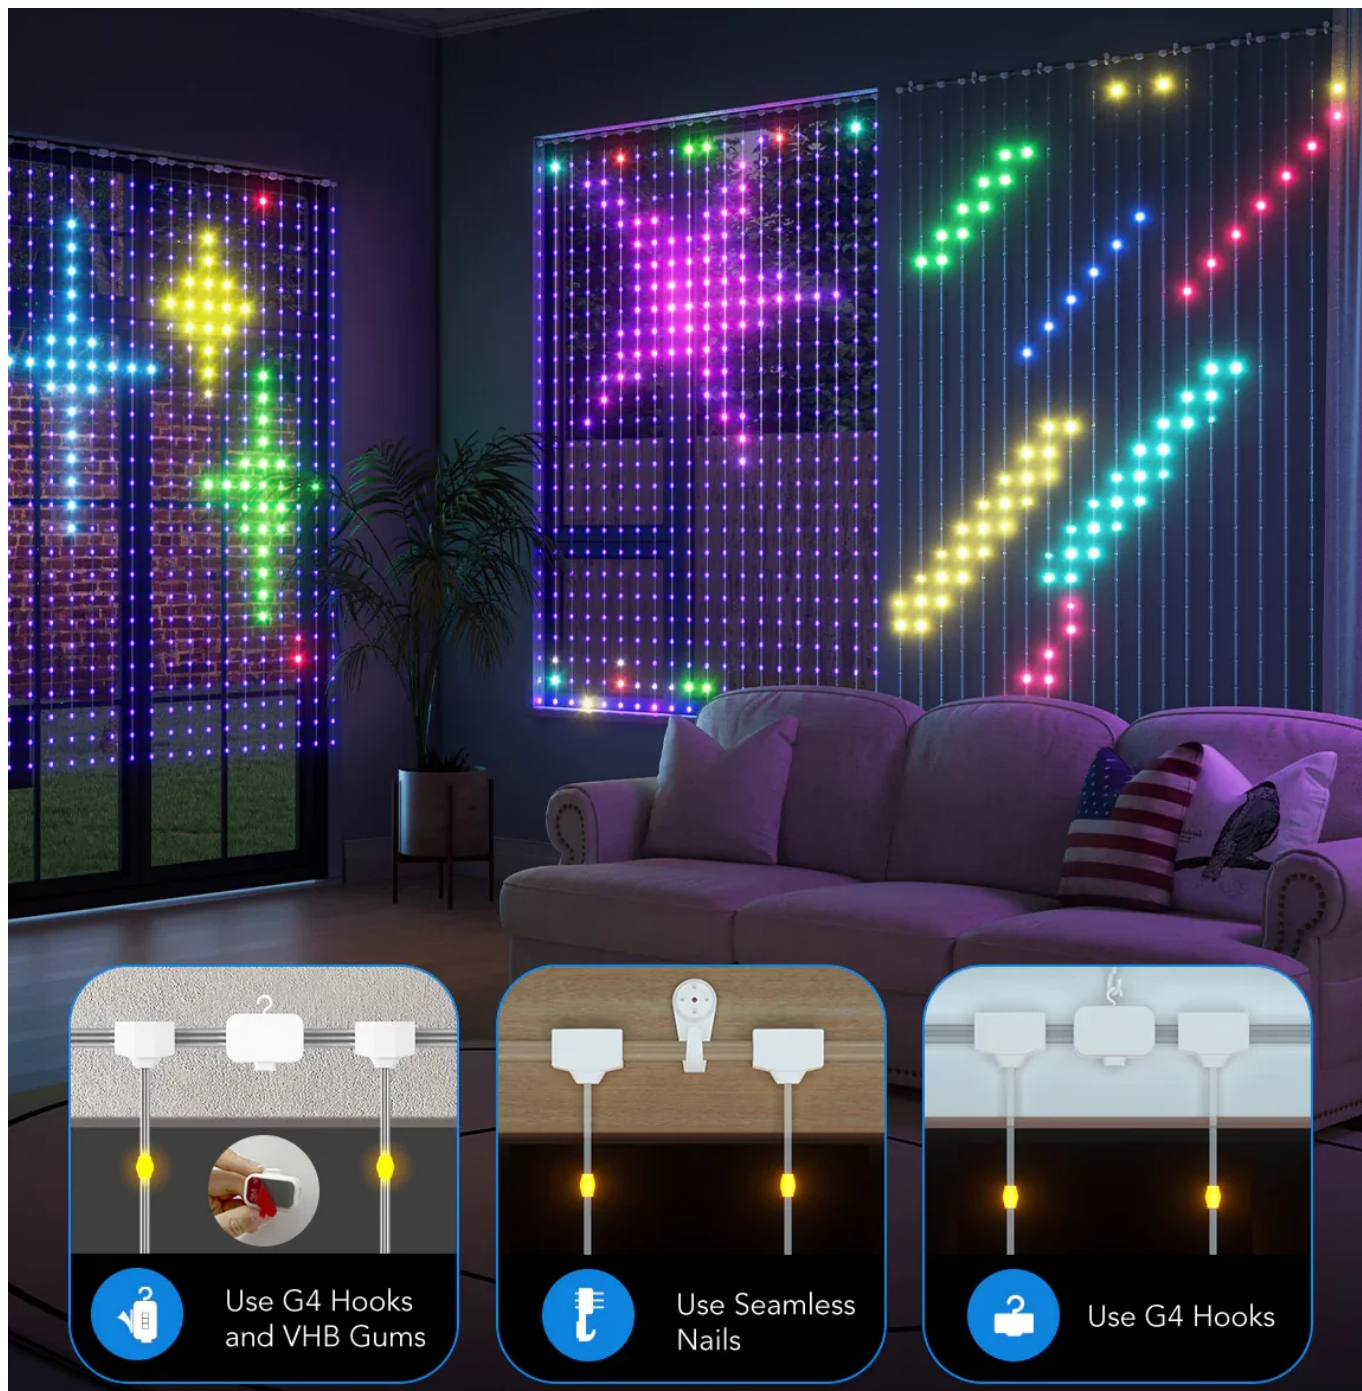

Unleash your imagination with DIY mode

With the **Govee app's** multi-functional DIY mode, these lights are more than just decorative; they are a canvas for your creativity. Sketch your own designs, choose your favorite shades and let your imagination run wild.

Easy installation with multiple mounting options

Whether you prefer hooks, adhesive tape or hangers, Govee Curtain Lights comes with every installation method. Choose the best fit and seamlessly illuminate your space.

A variety of lighting for every occasion

Celebrate every moment with just the right mood. From quiet evenings to lively parties, choose from a myriad of lighting effects to perfectly match any occasion.

Entertainment in a new guise

Integrate Govee curtain lights with other Govee smart lights using **DreamView and music mode**. Immerse yourself in an immersive lighting experience by synchronizing your entire home to dance to the beat of your music.

Intelligent control at your fingertips

Are you away from home, but want to leave a little magic behind? Easily control your LED curtains with the **Govee Home app**. And for those relaxing moments when you want to unwind, **voice control** is available with Alexa and Google Assistant.

Designed for any space

With IP65 and IP44 waterproof ratings, these lights are designed for both indoor and outdoor use. From cozy bedrooms and lively game rooms to peaceful patios, these lights are a versatile lighting partner.
