Manufacturer: EXTRALINK

Referention number: DNXGKPONMRMNKQ

Information:

Extralink is a practical beard and hair trimmer with an IPX6 water resistance rating, which is easy to keep clean thanks to its removable head. It offers 40 length settings in the 1–20 mm range, adjusted with a convenient dial, and two comb attachments for short and longer facial hair. The 800 mAh battery provides up to 60 minutes of use, charges via USB-C in about 1.5 hours, and allows use while charging. The rounded R-Type head, stainless steel blade with a ceramic element, and 45 mm width ensure precision and comfort. The Dual Motor Drive system with active hair suction makes cleaning easier, while the LCD display shows battery status and fan operation.

Full product description

Water resistance IPX6

The IPX6 protection rating makes it easier to keep the Extralink clipper clean after trimming. The removable head allows for convenient removal of hair residue, helping maintain the hygiene of the cutting element during regular use.

WODOODPORNOŚĆ IPX6

Ostrze można łatwo zdemontować, co ułatwia czyszczenie i pomaga utrzymać czystość oraz higienę ostrza.

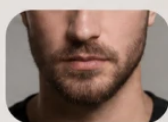

WODOODPORNOŚĆ IPX6

40 length settings

Two comb attachments and an adjustment dial offer a total of 40 length settings in the range of 1-20 mm. The 1-10 mm attachment is ideal for trimming shorter stubble, while the 11-20 mm version allows for grooming a longer beard or hair.

40 Ustawień długości dla idealnego dopasowania

NASADKA 11-20 MM

Dial adjustment

The mechanical dial lets you quickly set the desired cutting length without having to use multiple separate attachments. The range from 1 to 20 mm allows the setting to be matched to beard styling, stubble or hair.

REGULACJA POKRĘTŁEM

Precyzyjna regulacja 1–20 mm

Wystarczy przekręcić pokrętło, aby ustawić 40 różnych długości cięcia (1–20 mm).

Battery and USB-C

The 800 mAh battery provides up to 60 minutes of operation, and charging takes about 1.5 hours. The USB-C port makes it easy to top up the power, while the ability to operate while charging lets you continue trimming after connecting the cable. The device uses 5 V / 1 A power and a rated output of 5 W.

Czas ładowania $\leq$ 90 min

Styling different lengths

Two attachments make it easy to groom both short and longer facial hair. The rounded R-Type head helps guide the blade close to the skin, while the stainless steel cutting element works together with the ceramic part. The blade width is 45 mm, and the snap-on design makes it easy to remove the head.
