Full product description

Pearlescent sheen

LOVRO Bloomlight Lipgloss 03 Pearl Whisper envelops the lips in a glassy shine enriched with subtle pearly reflections. The light pink shade gently brightens the make-up and enhances the natural colour of the lips.

Fuller-looking lips

The gloss creates a smooth, luminous layer on the lips, visually enhancing their volume and contour. The comfortable formula does not leave an unpleasant sticky feeling.

Refreshing cooling effect

The cooling effect pleasantly refreshes the lips and helps achieve a smoother, more defined look. The lightweight formula works well both on its own and as a glossy finish over lipstick.

Convenient applicator

The soft applicator makes it easy to spread the product and comfortably coat the lips with a luminous layer. Pearlescent particles subtly reflect the light, creating a delicate pink glow effect.

Radiance always to hand

The compact 5.5 g format means the gloss fits easily into a make-up bag or handbag. You can reach for it during the day to quickly refresh the shine and enhance the lips.

Jewellery-inspired packaging

The transparent packaging with a pink cap showcases the pearly colour of the gloss and gives it a jewellery-inspired character. Bloomlight combines a glassy shine, subtle colour and a fresh cooling effect in one cosmetic.
