Full product description

Convenient form

The replacement toothbrush tip of the **inFly Toothbrush Head for P20C**, with its rounded bristle tips, helps effectively clean plaque and avoid injury and bleeding while brushing.

Products of the highest quality

The **inFly** toothbrushes are designed to meet the needs of demanding users 100%.

Ultrasonic tips

The purpose of the **inFly** ultrasonic toothbrush tips is to provide precision tooth cleaning and clean hard-to-reach interdental spaces. Each toothbrush tip has densely packed **DuPont** bristles that are proven to be gentle on teeth. They do not scratch enamel and effectively clean plaque.
