Recommended usage	Mobile phone / Smartphone
Product weight	540 g

Full product description

JBL Flip 5 Portable Speaker

The JBL Flip 5 is a wireless speaker system designed for people with active lifestyles. Weighing **540 grams** and measuring **74mm x181mm x69mm**, you can take it with you on the town, on a picnic, or on a trip.

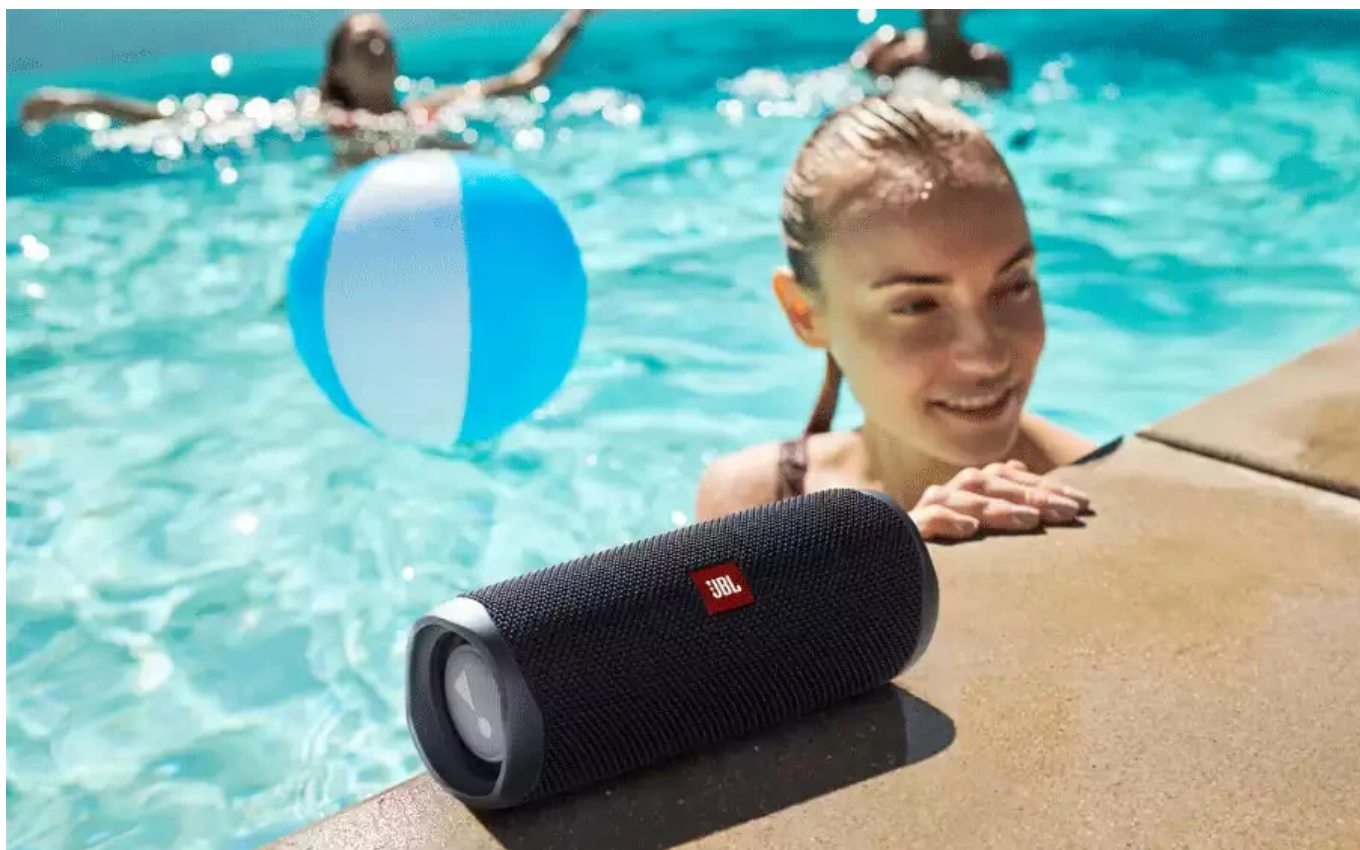

Have a party

The speaker produces powerful, **loud sound** with energetic and rich bass through a single **20W** front speaker. And two more such gadgets can be easily combined into **stereo** mode. **Bluetooth** is available for connecting music sources, so you won't need any wires.

Ready for an adventure

The rubberized casing provides **IPX7 level water resistance**. This means that it can be used on the beach or at the edge of the pool and will not be exposed to rain.

Decent battery life

This model is powered by a **built-in rechargeable battery**. Working time on a single charge is about **12 hours**.
