Price: **0.22 zł** gross / 0.18 zł net

Manufacturer: FIBERHOME

Referention number: DNXXGGHIOERMLNM

Product features

Test protocol included	Yes
Fiber mode structure	Single-mode
Cable length	1000 m
Plug and Play	No
Operating temperature (T-T)	-30 - 60 °C
Cord diameter	5.2 mm
Sheath material	Low smoke zero halogen (LSZH)
Product colour	Black
Connector 2 gender	No
Connector 1 gender	No
Fibre optic type	G.657.A1
Cable type	FTTH

Full product description

Fiber optic overhead cable 1F S-NOTKSP

The **1F S-NOTKSP** overhead fiber optic cable is a fiber optic cable designed mainly **for overhead installations** for use in short distances. It is constructed using **one G.657A1 fibre**, directly in the sheath. **Two aramid yarn FRP rods** embedded in the outer sheath are a reinforcing element, providing the required tensile strength of the cable.

The supporting element is a **steel rod**. The external **LSZH sheath** which protects the cable against external aggressions is UV resistant and **halogen free**.

Key features

- G.657A1 fibre
- Tensile strength 600 N
- Outer sheath LSZH
- Two FRP reinforcing bars
- Diameter ~ 5.2 mm ($\pm 5\%$) * (2.0 mm * 3.0 mm ($\pm 5\%$))
- Flat cable
