Full product description

SC/APC Patchcord 20 meters long

Single mode fiber optic cable from [Extralink](#) terminated on both sides with **SC/APC** connector. Patchcord is available in length of 20 meters. It is designed for telecommunication purposes among others.

Round cable with **G.657A2** fiber has been used here. This gives a low bending radius of the cable. **The TPU coating** shields the cable, which can be used outdoors.
